Drive tops 107%

By WALTER STRANGE
Press-Record Staff Writer
A victory luncheon was held for the Tri-Cities Area United Way October 1974 campaign Wednesday when the drive reached \$456,660 or 107.4 per cent of the \$425,000 goal.

This is the second year in a row the drive has gone over the goal, after eight consecutive below-target finishes. George Pulianus, Granite City Steel vice president-administration, served as the drive chairman. Last year's

United Way drive was led by William F. Winter, editor of the Press-Record. In a surprise announcement made at the final report meeting, Carl Bazzenas, chairman of the board of the Granite City Steel Torch Club, a

labor-management employee organization, announced the club is giving an additional \$25,000 to the United Way. "Even though our club membership suffered some decline during recent months because of an internal plant problem, we were delighted to discover recently that pay increases for both hourly and salaried members more than offset the loss caused by the drop in membership."

"It gives me a great deal of pleasure, on behalf of the members and the board, to announce the extra gift—bringing our total pledge to \$150,000," Bazzenas said. "Our board recognized that the various United Way agencies had originally requested \$500,000 to operate adequately in the coming year, and we hope our extra gift will be passed along to the agencies that need money the most and can best use it for the betterment of the community."

Pulianus commented, "I'm very pleased with the work done by everyone and would like to thank each of you here, and those who helped in the drive but could not make today's luncheon. It was a job, well done."

"This has been a group effort that has demonstrated that people do care about their fellow man."

"I would like to say that we do have some clean-up work that needs to be done and commitments that need to be gathered," Pulianus emphasized.

Paul H. Kelly, president of the Tri-Cities Area United Way and manager of the A. O. Smith Corp. plant, said, "I want to personally thank our drive chairman, George Pulianus, who spent many many hours making sure things happened. The taste of victory is so sweet. There have been so many people working so hard on this drive—and for many

ASF to expand; 200 more jobs

A major expansion at the Granite City plant of the American Steel Foundries was announced today.

Physical facilities will be expanded, and when completed they will result in the employment of an additional 200 production employees, the announcement related.

A building addition of 22,000 square feet is to be erected. Engineering work already is in progress, and the construction is expected to be completed in 1976, a spokesman said. Also, a new "chamber blast" to blast steel castings will be installed. And there will be extensive

renovation and modernizing of existing "turning equipment"—the equipment used to normalize and temper castings.

Business has been booming and the orders backlog has been growing at the ASF plant in Granite City. Employment here today is 1,500, compared to 1,200 a year ago.

The expansion will increase the total work force at the American Steel Foundries plant to 1,700.

The busy activity relates directly to the national surge in purchases of railroad freight cars.

The expanded facilities here will enhance the processing of "truck bolsters" for rail cars.

Car kills boy

Eric Moad, 13, of 35 Parktowne West Mobile Home Park, died at 2:15 a.m. Tuesday at Cardinal Glennon Hospital, St. Louis, about eight and one-half hours after he was struck by an auto in the 2300 block of Rock Road.

Willard McKee, 18, of 13486 Rock Road, has been charged with reckless homicide, reckless driving, failure to give information at an accident and leaving the scene of an accident in connection with the incident.

Police first were called at 5:55 p.m. Monday when they were told a youth had been found on the side of the road. An ambulance was dispatched and the Moad boy was found unconscious and badly injured.

Officers said they could not determine if he had been struck by a car or severely beaten. The Moad boy was taken to St. Elizabeth Hospital where severe head and other injuries were diagnosed and he was transferred to the St. Louis hospital where he died. The boy was on his way home from school basketball practice when he was struck.

A short time after the accident, McKee and his mother appeared at the police station where McKee admitted having driven the car which struck the boy. He declined to make any further statement about the accident.

Officers determined that his sister, Norma McKee, 15, was a passenger in the car at the time of the accident.

Willard McKee was released on \$1,500 bond.

A lifelong resident of Granite City, the boy was an 8th-grade student at Frather Junior High School. He belonged to VFW Post 1300 soccer team and was a member of Sacred Heart Catholic Church.

Survivors include his parents, Mr. and Mrs. Jack (Myrtle)

May sell bridge

A move to sell the old Chain of Rocks bridge owned by the city of Madison was initiated by the Madison City Council Tuesday night.

Mayor Mike Sasyk asked the council's Bridge committee and the city legal department to prepare a bid call for sale of the bridge, and suggested the bid call be authorized as soon as possible.

The mayor told the aldermen that "We have had several inquiries concerning the purchase of the bridge." He declined to elaborate later, but indicated that he has met with persons interested in buying the bridge.

Sasyk told the council that the advertisement for bids should make it clear that the council retains the right to reject any or all bids, and that terms of the sale be set out clearly.

Alderman Don Broyles asked: "Are we selling any land?"

"No. We still will only be

selling the bridge. The city will need to keep all the land it now has," the mayor replied.

The mayor asked the bridge committee to have the specifications for bidding ready for the next regular council meeting.

Members of the Bridge committee are Aldermen Robert Don Reeves, chairman, Mike Sikora, John Haynes, Ray Kozielek, and Don Broyles.

Madison purchased the Chain of Rocks Bridge in 1939 on a 25-year bond retirement plan and refinanced it in 1948, after which part of the bridge profits went to the city treasury.

The city was made tax-free for one year and then expanded its services, built sewers, streets, curbs and sidewalks and amassed a \$2½ million cash reserve.

The cash balance was used to erect the Maeras Industrial Park and bring new industry into the city.

Calvo, Lucco, Steele are elected to House

State representative victors in the 56th District on Tuesday were the two Democrats, who had been expected to draw heavy support, and Everett G. Steele, making his first bid for public office.

The former Granite City resident in Glen Carbon and is

associated with the Steele-Kunnenman real estate and insurance agency here. He is the grandson of the late Chris Kunnenman, sometime mayor of Nameki.

Rep. Horace L. Calvo, Granite City Democrat, gained his fourth two-year legislative term, leading the ticket with 32,263 votes.

Close behind was Democrat Joe E. Lucco, veteran Edwardsville school administrator, who received 32,122.

Steele tallied 20,464 votes to defeat another Republican, Robert J. Walters of Alton, who had served two terms in the General Assembly. Walters' vote total was 16,153. The third current representative, Democrat Leland J. Kennedy of Alton, did not seek re-election.

In the Madison County portion of the district, Calvo received 28,312 votes, Lucco 28,304, Steele 19,187 and Walters 15,326. Figures for the St. Clair County part of the 56th District were: Calvo 3,950, Lucco 3,817, Steele 1,777 and Walters 826.

Quid-City tallies for the four, in the same order, were 15,886, 12,789, 6,559 and 2,320. Representative candidates can receive three-vote support, or 1½ votes for each of two candidates, or a single vote for three aspirants.

Rep. Calvo received 7,824 votes in Granite City, 3,053 in Nameki Township, 3,582 in Venice Township (Venice-Madison area) and 1,427 in Chouteau Township (Mitchell-Hartford area).

Lucco totaled 5,778 in GC, 2,313 in Nameki, 3,415 in Venice and 1,229 in Chouteau. Steele's totals were 4,274 in GC, 1,458 in Nameki, 297 in Venice Township and 638 in Chouteau.

Rep. Walters' tallies were 1,286 in GC, 472 in Nameki, 205 in Venice and 345 in Chouteau.

Maeras, Musso win new terms

Overcoming vigorous campaigns by Republican nominees, two incumbent Democratic officials of Madison County scored solid victories in winning new four-year terms Tuesday.

Sheriff John Maeras of Madison defeated Robert J. Urban of Troy 29,203 to 20,191.

Madison County Treasurer George Musso, of Edwardsville, won over Donald W. Emde of Bethalto 29,133 to 20,068.

Two other Democrats were unopposed for county offices. Miss Evelyn M. Bowles of Edwardsville received 36,783 votes in being elected as Madison County Clerk.

County Educational Service Region Supt. Harold E. "Gene" Briggs of Nameki Township garnered 35,397 votes.

U. S. Senator Adlai E. Stevenson III, on his way to easy re-election, won in Madison County 24,001 to 15,008 for George M. Burditt, the Republican standard-bearer.

State Treasurer Alan J. Dixon (D) won re-election and led 33,554 to 15,003 in this county over Harry Page (R).

Democratic candidates for University of Illinois trustee positions fared well in Madison County—Mrs. Nina Shepherd 31,586, Arthur E. Velasquez 28,682 and Robert J. Lenz 30,257.

Rites today for crash victim

Funeral services were held at 1:30 p.m. today at a Collinsville funeral home for James E. Durham, 28, of 31 Caroline Drive, Caseyville, who was killed in an auto accident on Monday.

He was injured fatally when

his car went out of control on wet pavement on Interstate 70 and struck a support for the Sand Prairie Lane overpass. He was pronounced dead upon arrival at St. Mary's Hospital, East St. Louis, at 3:05 a.m. Durham was employed as a maintenance man for the Metal Services Inc., Madison. He also belonged to the Teamsters Union, Local 688 of East St. Louis.

Survivors include his mother, Mrs. Eldora Wasilewski of Collinsville; four sisters, Mrs. Harold (Betty) Evergerd of East St. Louis, Mrs. Raymond (Nancy) Keplar and Mrs. Richard (Cathy) Jacobs both of Caseyville, Miss Kathleen Wasilewski of Collinsville; three brothers, Jack L. and William O. Durham both of East St. Louis and David W. Durham of Collinsville.

Burial was in St. John Cemetery, Collinsville.

Beer stolen

Eight cases of beer worth a total of \$44 were stolen from an outside cooler at Eddie's Lounge, 2800 N. Main St., at 9:30 p.m. Monday.

A customer told the bartender two youths were attempting to break into the cooler. When the bartender went outside he noticed the bottom bolt of the cooler had been pried off and the door opened.

There was a large amount of blood on the door, he said. Two youths were seen walking toward the cooler and one walked away while the other approached the bartender and inquired about the price of beer. He left, saying he had to get more money.

Police searched for the youths, but were unable to locate them.

One youth was described as 19 to 20 years of age, about 6 feet, 1 inch tall, weighing about 180 pounds and having light brown hair which covered his ears. He wore a green quilted jacket, black gloves, black suede crepe-soled shoes and blue denim pants.

The other youth was about 5 feet, 9 inches tall and weighed about 160 pounds, police were told.

Area growth is forecast

The U. S. Department of Commerce said this week that the St. Louis metropolitan statistical area, including Madison and St. Clair Counties, will grow to a population of 2,716,800 by 1990.

Average per-person income is forecast at \$6,574, seven per cent above the national average and placing the region tenth among the 263 major urban centers. Jobs are expected to total 1,173,700.

This region is seen as gaining 3.5 per cent each year in income, compared to 3.9 per cent for the average metropolitan area, and 0.8 per cent in population, compared to 1.1 per cent.

In opera at university

Kathy Davis, daughter of Mrs. Gloria Davis, Granite City, is a member of the Eastern Illinois University Music Theater Workshop's production, "People of Notes," being presented by Showcase Theatre. The production opens tonight at 8 o'clock in Dyck Concert Hall at Charleston.

Other performances are scheduled at 8 p.m. Friday and Saturday. "People of Notes" is a program of five opera scenes which present a sampling of a variety of operatic styles. The show will open with a scene from Bizet's "Carmen," followed by Smetana's "The Bartered Bride," Rossini's "La Cenerentola," (Cinderella), Mozart's "The Magic Flute" and Copland's "The Tender Land."

Home is entered

Glass in a bathroom window was broken to gain entry to the home of Eula Pentecost, 3229 Rodgers Ave., it was reported at 11:45 p.m. Monday. The telephone cord was cut and the handpiece was stolen. It is not known if anything else was taken. The television had been unplugged, but was left in the house. Burned matches were found on the floor throughout the home.

Hope for many of nation's sightless Vietnam veterans

Science may never be able to restore sight for 650 Vietnam veterans, but the promise of easier reading and mobility looks brighter as the result of a number of aids being developed through Veterans Administration research.

In addition, a recently patented device which "reads" ordinary print and pronounces the letters audibly, VA is funding further development on many other aids, including a lighter weight laser cane that will warn a blind user of objects in his path.

Also being refined is an ultra-sonic eyeglass project that could enable the blind to perceive objects in much the same way that sonar permits ships and submarines to detect un-

dersea objects.

Even more important, according to Russell C. Williams, VA's chief of Blind Rehabilitation, is training for the blind person and his family in the techniques and attitudes for coping with blindness.

Williams, a combat injured veteran of World War II, has extended this training beyond VA hospitals with the help of the Veterans Association. BVA and VA are cooperating in a field service program that supplements the work of 72 VA Visual Impairment Services teams throughout the country.

Through these programs, which is made with hometown veterans organizations, state

programs for the blind, churches, and other organizations capable of helping a disabled person become active in community projects and lead a more nearly normal life. Teams also visit veterans in their homes.

"The family's level of expectation for the blinded veteran is usually much lower than is warranted," Williams explained, "and this is usually reflected in the community unless steps are taken to offset it."

For this reason, the most closely related member of the family is brought into the program for the blinded family member at each of the three VA Blind Rehabilitation Centers. While the veteran patient is

being counseled and taught mobility techniques, the family member is also taught.

The wife, for example, can see her blind husband safely operate power machinery, type and perform other office functions, as well as to cross intersections during heavy traffic.

At one point, she is blindfolded to better learn the basic skills of getting about without sight. She even tries her hand at teaching these skills to a blindfolded instructor and then to a blind veteran.

The three VA Centers — at Palo Alto, Calif., Hines (near

Chicago), Ill., and West Haven, Conn., — also prescribe the appropriate aids for those who have some degree of sight remaining.

And they instruct the blind in using the specialized equipment. Among these aids are microtelescopic and telescopic lenses and closed-circuit television systems.

While many of the 650 combat-disabled Vietnam veterans have other severe problems, such as hearing loss, amputations and brain damage, blindness is rarely the cause of psychiatric illness, Williams points out.

Some degenerative diseases, however, cause both blindness and psychiatric illness in the same person. For these patients, VA has added two facilities — at Waco, Tex., and at Downey, Ill., — bringing the total of such facilities to five.

These training and outreach programs are more important than scientific developments, Williams believes, but he is an enthusiastic supporter of VA production and research in prosthetics developments such as these:

1. The Cognoductor, a computerized reading device for the blind being developed by Mauch

Laboratories of Dayton, O., which promises to be able to rapidly sound out printed letters to form words. Still a laboratory device, the prototype for the production model is expected next year.

2. A lighter weight, more efficient laser cane — of the type that recently became available to veterans — which uses low-power laser beams to give sound and vibration warning of obstacles.
3. A less bulky and more cosmetically acceptable model of Kay Ultra-Sonic Binaural "eyeglasses," a New Zealand development which permits a

blind person to perceive the shape and location of an object through reflected ultra sonic emissions.

4. Further training and distribution of the Stereotone and Optacon reading machines which are already available. The Stereotone produces music like sounds when passed over printed material. The Optacon conveys the shape of letters from printed material to the user through touch of his fingertips.

Talk on estate planning

By RON CORNWELL, Farm Extension Adviser

A program on estate planning will be held in the Madison County Farm Bureau auditorium in Edwardsville at 1:30 p.m. on Monday, Nov. 11. This program will be of interest to the urban and rural non-farm residents of Madison County as well as the farmers.

The program is being sponsored by the Madison County Cooperative Extension Service. Al Bock, University of Illinois Extension lawyer, will be the speaker presenting the program.

Who should have a will? What state and federal taxes affect an estate transfer? Should property be held in joint tenancy?

These are only a few of the questions that will be discussed at the estate planning meeting. If you have a question concerning estate planning, plan to attend the program.

BEAN VARIETY PLOTS

Madison County soybean variety plots were harvested on Oct. 21. Bill Givlio planted the plots Jan. 18 on the Virgil Klueter farm. All varieties in the plots were adjusted to 13 percent moisture.

The top yielding variety in the plots was Kent at 33.4 bushel per acre.

In this case, yield doesn't tell the entire story. The Kent soybean is a late-maturing bean and was damaged by the early frost this fall.

The moisture content on the Kent soybeans was 21 percent and the variety had a 52-pound test weight.

The yields of the varieties in the test plots include: Kent, 33.4 bu.; Williams, 30.9 bu.; Bonus, 30.9 bu.; Cutler, 31.3 bu.; Wayne, 29.3 bu.; Clark 63, 28.9 bu.; and Calland, 24.9 bu.

FROST-DAMAGED CORN

Many farmers in Illinois with frost-damaged corn are faced with the problem of the corn not drying down properly.

Frost-damaged corn in some areas is showing signs of stalk and ear rot damage. This corn isn't drying down in the field like it should.

Don Graffis, Extension agronomist, reports that when corn is killed by frost before it matures, the stalks and cob

contain more moisture than they do when corn matures normally.

The water moves from the stalk and the cob into the grain. The grain stays at the same moisture level or becomes even wetter until the kernel is finally sealed off from the cob and the stalk.

If a grain farmer has frost-damaged corn that is not drying down in the field, the only alternative is to harvest and dry the corn.

A livestock farmer has the alternative of ground ear corn or treating the sheathed corn with propionic acid. Corn that is treated with propionic acid must be fed on the farm and cannot be marketed later through a commercial market.

PESTICIDE CHANGE

Madison County farmers using Aldrin or Dieldrin in their soil insecticide program for corn production will have to look for an alternative product to take care of their soil insect problems this coming year.

The suspension of the manufacture of Aldrin and Dieldrin is directed by the administrator of the U. S. Environmental Protection Agency has been upheld.

The suspension of these two products means that no further manufacture of Aldrin or Dieldrin for domestic agricultural purposes is being permitted at this time. Existing supplies can be used and sold.

The manufacture, sale and use of these insecticides for non-agricultural purposes is still legal.

Lists theft loss

An inventory of items taken, in damages, in a burglary in July at a home here owned by Bobby Perkins of Piedmont, Mo., was reported to Madison police during the weekend as totaling \$3,150.

Taken from the home at 1103 Madison Ave. at that time were living room carpeting and pads valued at \$1,500; two space heaters valued at \$300; 15 sheets of paneling valued at \$150; and \$1,200 in damage to the inside of the building.

The law firm of Schooley and Hartman, Attorneys at Law, of 2039 Edison Avenue, Granite City, Illinois announces that George J. Moran, Jr. of Granite City will be a new member of their firm. George Moran recently passed the Illinois State Bar examination and now is licensed to practice law in Illinois. The son of Appellate Court Justice and Mrs. George J. Moran of the 5th Judicial District graduated from Granite City High School, Southern Illinois University at Edwardsville and St. Louis University Law School.

New National market policy

Alvin F. Cross, divisional vice-president of National Super Markets has announced a new seven-day consumer price protection policy which will be implemented in all metropolitan division area stores beginning Friday.

The plan, designed to provide consumers with fair information on cost increases, includes posting of price increases, such as those received from manufacturers, prior to the time they take effect.

Copies of this list will be posted in all stores each Friday and National guarantees not to raise prices on these items for at least a seven-day period.

The new policy will allow customers sufficient time to stock up on merchandise before a price increase, Cross said.

Under this plan, National believes this allows time for existing produce, purchased at the old price, to sell down. After the seven-day period, when the merchandise is marked to the new price, it will assure the customer that National is selling the product at the same price in all stores in a marketing area.

Special shelf signs will be used to identify a number of commonly used, everyday products to indicate the date a price increase will take effect, Cross added.

National also stated that should an out-of-stock situation occur, rain checks will be issued on the product, allowing consumers to purchase the item at the lower price after the new price is in effect.

The new policy will not cover perishables such as meat and produce as these follow fluctuating daily markets.

"As stated earlier, when National reduces a price, shelf stock will be reduced to and sold at the new lower price. The company will also continue the policy of selling products at the lowest price if more than one price appears on an item," the official said.

Restaurant owners plan annual social

The Greater Granite City Restaurant Association will hold its annual social at Charlie's Restaurant at 7 p.m. Wednesday, Nov. 13.

William J. Nettles, administrative assistant and chief investigator to Attorney General William J. Scott, will be the speaker.

All restaurant operators have been asked to attend and to bring a guest. Walter Stauffer is president of the organization. He said reservations may be made by calling 891-3600.

Traffic signal funds ok'd

An appropriation of \$80,000 in motor fuel tax funds for widening and signaling the intersection of 18th Street and Madison Avenue, and appropriation of \$4,200 to initiate a citywide program to update all traffic signs were approved by the Granite City Council Monday night.

The action clearing the way for two of the city's major traffic safety projects was taken amid a series of council proceedings in which the aldermen also deferred a vote on a cable television franchise and voted to repeal the city's controversial "palm reading" ordinance.

Council members also

enacted an ordinance providing that all applicants for appointment to the fire or police departments must be residents of Granite City for one year prior to the date of application. Previously, police department applicants were required to be three-year residents while fire department applicants needed only a one-year residency.

Approval of the \$80,000 MFT application for the 18th Street and Madison Avenue traffic signal project is subject to approval of the state Department of Transportation. City Engineer Monroe Brewer said the project will be financed at 90 percent of the cost under the Federal Aid to Urban Systems program, but the city first must advance the construction cost.

Enlargement of the intersection and installation of traffic signals including left turn lights at 18th Street and Madison Avenue has been planned as a major step in

development of a truck route designed to carry most of the heavy truck traffic around the downtown area.

Brewer said in response to a question that a truck route had not yet been designed but that routing of truck traffic from the Niedringhaus Avenue approach to FA Route 151 down 18th Street is a major step in determining the route.

The \$4,200 appropriation for the traffic signal survey also will be reimbursed partly by the state and partly by the FAUS program. Brewer explained that the state will reimburse 70 percent of the cost of updating all traffic signs on arterial streets, and FAUS will reimburse the city 90 percent of the cost of surveying and updating all signs on non-arterial designated streets.

A vote on a franchise agreement to permit cable television installations in Granite City was deferred on a motion by Alderman Ronald Coleman after Robert Howe, owner and president of Madison County Cablevision Co., appeared before the council to answer questions and explain the system.

Alderman Walter Nunn asked Howe if permission had been obtained by Tri-Tel Cablevision, Inc., a firm now in the process of incorporation, to use poles of the existing utilities for cablevision installation. Howe said that it had not, that

negotiations for use of existing poles could not start until the company had obtained its franchise agreement.

"I've talked with some of the officials of these utilities and they tell me they do not intend to negotiate any lease agreements for use of their poles," Nunn said. Howe replied that under Federal Communications Commission regulations the utilities must afford space for cables.

They noted that if the company took in \$100,000 in its first year, the city would receive only \$3,000.

Alderman Sam Whitmer remarked, "That's hardly worth our time." Howe explained that FCC regulations now limit to 3 percent the maximum share of revenue that can be allowed. He said that until a few years ago some agreements ran as high as 30 percent, but because such payments threatened the financial structure of some cablevision firms, the FCC limited the payments.

Nunn asked the company's net worth and Howe said it is about \$500,000. Nunn asked the Howe provide the council with a list of the company's stockholders and a report on its assets.

The ordinance for a franchise

agreement was placed on first reading in the Oct. 28 council session.

An ordinance repealing a bill passed in late August designed to prevent palm reading and other "mystic" activities such as clairvoyance and fortune telling was approved unanimously by the 11 aldermen attending the session without discussion.

Another measure that had been drafted to replace the repealed bill was not presented during the meeting. It would have established a \$300 per year license fee for palm readers, clairvoyants and fortune tellers.

Mayor Paul Schuler was asked by City Clerk Robert Stevens if the new ordinance should be presented.

Schuler glanced at it and remarked, "I don't want to open that can of worms again." The original ordinance was adopted by the council after several members said they received complaints about a palm reading business in the 2800 block of Madison Avenue. That ordinance brought a number of citizens' complaints that it was so broad the city should even "close down the churches" if the bill were enacted.

DAMAGE YARD, TREE

A vehicle drove into the yard of Joe Margulien, 3228 Edgewood Ave., and then left the scene, it was reported at 9:40 a.m. yesterday. The vehicle damaged the lawn and a \$300 Hoopoe Blue Spruce tree.

Two arrested in search after market robbery

Two men have been charged with armed robbery and another man is being sought after he escaped from a massive manhunt in the Kerr Island area near Venice Monday afternoon.

Three robbers stole about \$324 from the Cut Rate Food Market, Fifth Street and McCambridge Avenue, just outside of Madison, at 12:20 p.m. Monday.

Mrs. Ann Palsgrove, owner, was working behind the meat counter when one man entered and asked her if she sold pigs feet, she told officials.

When she said she had none, the man replied, "OK, this is a holdup," she recalled. The man jumped over the meat counter, placed a gun to her head and made her lie on the floor, telling her not to look at him.

A second man then entered and asked a woman employee for some aspirin. While she was getting the aspirin, another man entered, displayed a pistol and told her to be seated and open the cash register, it was related.

They then forced the employee to the rear of the store and told one of the women to open the safe. They took some change from the safe, asking if that was all there was.

They were told it was and they then took \$141 from one woman's purse in addition to the \$185 they stole from the cash register and safe, it was reported.

Two children then entered the store, saw the robbery in progress and fled out the front door. The robbers then fled.

Services for John Ishum, 85

Funeral services were held Tuesday in Mount Carmel, Ill., for John W. Ishum, 85, a former longtime resident of Granite City, who died at 7:30 a.m. Nov. 3 at the Monticello Nursing Home, Mount Carmel.

Mr. Ishum had been a patient at the Mount Carmel home for four years and at a nursing home in O'Fallon, Ill., for one year prior to that time.

Previously, he had lived about 45 years in Granite City. He was born in Patton, Ill.

Mr. Ishum was a retired employee of the former Union Star and Refining Co. Surviving are his wife, Mrs. Daisy Ishum of Mount Vernon; five sons, Charles, John M., Eugene and Leroy Ishum, all of Granite City, and Gerald Ishum of Houston, Tex.; three daughters, Mrs. Beula Walbert and Mrs. Geraldine Clark, both of Fontana, Calif., and Mrs. Dorothy Watkins of Gillespie, Ill.; 27 grandchildren and 31 great-grandchildren.

Interment was at Adams Corner Cemetery, Mount Carmel.

Three persons were injured when a Yellow Taxicab, driven by George Gibson Jr., 24, Edwardsville, and the auto of Charlotte Tucker, 22, of 2248 State St., were involved in an accident at Nameesi Road and Jill Avenue at 6:05 p.m. Tuesday.

Charlotte Tucker was taken by ambulance to St. Elizabeth Hospital but her injuries did not require emergency room treatment.

Taken in the ambulance with her was a passenger in her car, Miss Brenda Rawlings, 20, of 2417 Wilson Ave., who struck her head on the car's windshield. She was treated for an abrasion to her forehead and a contusion to her right lower leg. X-rays were taken and she was released.

Gibson was examined at the hospital for pain to his neck and was released after x-rays were taken.

Miss Rose Hubert, 22, of 2458 Center St., was hurt when she was struck by a car, driven by a Collinsville man, in Collinsville Tuesday evening.

She was taken to St. Elizabeth Hospital at 6:45 p.m. Tuesday where she was treated for contusions to her left leg and left hand. X-rays were taken and she was released.

2 bike hikes

The Campus Recreation Office at Southern Illinois University at Edwardsville has two bike hikes scheduled for November.

Students, members of the faculty, staff and their families are being invited to pedal the Madison County Nature Trail to Edwardsville tomorrow. Cyclists will leave the Tower Lake Information Center at noon.

Members of the university community can bicycle to Grantfork, a distance of 18 miles, on Sunday. The caravan will leave the Tower Lake Information Center at 1 p.m. A family-style meal will be available for \$4 at the Diamond Mineral Springs Restaurant in Grantfork.

A return bus ride for the cyclists and their bikes will cost \$1. Space on the bus will be limited to 20 persons with their bikes.

Registration, for either trip can be made with the Student Affairs Office at SIUE. Bicycles will be available for those who need them.

3-vehicle crash

Miss Susan Kelleher, 25, of 2501 Washington Ave., was hurt when her car was involved in a three vehicle accident in the 2200 block of Washington Avenue at 6:40 p.m. Tuesday.

Miss Kelleher said she was sitting in her car when she saw a pickup truck coming toward her in the wrong lane. She said she stopped in the street and blew her auto's horn, but the truck struck her auto, pushing it into the parked car of Terry Buster, 2236 Washington Ave.

The driver of the truck, Harvey Pulley, 300 Palmer Ave., was charged with driving while intoxicated and driving in the wrong lane.

Miss Kelleher was taken by ambulance to St. Elizabeth Hospital where she was admitted with a cut to her right hand, a contusion to the left side of her forehead and abrasions and contusions to both knees. A series of x-rays was administered.

Miss GC

(Continued from page 1)

two following Friday evenings, Nov. 15 and Nov. 22. Tickets also may be obtained from Jaycee members.

Ross said the eight candidates formally signed to enter the Miss Granite City Pageant promise a wide variety of talent will be presented in the show. Their talent areas include piano, vocal, twirling, drama, organ and classical guitar.

The contestants are:

Miss Melanie Rose Asadorian, daughter of Mr. and Mrs. Edward Asadorian, 2117 Grand Ave.; Miss Diane Marie Becherer, daughter of Mr. and Mrs. Harold Becherer, 3314 Wilshire Drive; Miss Shelly Kaye Boyd, daughter of Edward R. Boyd, 39 Villa Drive; and the late Mrs. Boyd; Miss Cathy Diane Faulkner, daughter of Mr. and Mrs. James Faulkner, 2147 Waterman Ave.

Miss Karen Ann Kolliste, daughter of Mr. and Mrs. Leonard W. Kolliste, 1008 Alton Ave.; Madison; Miss Ann Elizabeth Langley, daughter of Mr. and Mrs. Robert Langley, 2209 Manley Ave.; Miss Ginger Kay McClain, daughter of Mr. and Mrs. Wilbur McClain, 2455 Cleveland Blvd.; and Miss Deborah Anne Presley,

daughter of Mrs. Marilynn Garin, Rural Route Two, Box 828, and Boyd Presley of Granite City.

Ross said the first rehearsal and orientation meeting will take place Sunday, with practice sessions then scheduled on a frequent basis up to the pageant date.

Winner of the Miss Granite City crown will compete for the Miss Illinois title at the state pageant in July at Aurora. The state winner will travel to Atlantic City, N. J., in September to vie for the title of Miss America.

The Granite City Jaycees agreed earlier this year to revive the traditional pageant after discontinuing the project four years ago. Miss Janice Albers was the last Miss Granite City selected.

Jerry Gann, president of the GC Jaycees, said "We believe the pageant serves the community well, as it focuses attention on the high caliber of young women who are area residents. We similarly believe it serves youth as well, providing the chance for the young ladies who enter to gain added poise through public appearances and added maturity from participation in a community project."

Effort to block new fire station

A circuit court proceeding that seeks to enjoin Granite City from constructing a new fire station at the intersection of Johnson Road and Richmond Avenue has been filed by a group of residents living near the proposed station site, City Council members were told Monday night.

Notice of the suit, which was filed at Edwardsville Oct. 29, was referred by council members to City Attorney George Pileoff.

The proceedings involve two counts, one asking a declaratory judgment that the city must obtain a special permit for use of the land tract, and the other seeking an injunction on grounds that no special use permit has been issued, that the proposal is not in compliance with the Comprehensive City Plan and that the proposed use of the land is

candidate to continue to seek scholarship awards at the Illinois State Pageant and help her to secure an education at the college of her choice.

"This is a community endeavor and we are hopeful that all will participate to assure its success," Gann stated.

Penalty kicks win for North 5-3; state soccer meet Friday

"It places a great amount of pressure on a youth to know that one swing of his leg could mean the difference between winning and losing," commented Steeler soccer mentor Bob Kehoe Tuesday after Granite City High School North had won 5-3 here Tuesday to gain the sectional championship.

The Steelers beat cross-town rival Granite City High School South on free kicks to capture the sectional title, and with it the right to compete tomorrow in the state soccer tournament.

Both schools held each other scoreless in regulation time — four 15-minute quarters and again in four five-minute sudden-death overtime periods, to force a decision on penalty kicks.

In deciding a victor on free kicks, each team is allowed five shots on goal, with one player at a time facing the defending goalkeeper. The team scoring the most goals is declared the winner.

The estimated more than 500 persons who braved rain and chilly weather at South Field fell silent before each shot and broke into cheers with each successful kick — depending upon which team the particular fans were backing.

Steeler Dave Hatcher powered the first shot into the net, followed by a score by South's Charles Bennington.

North's Bill Schlatter scored and the Steelers led 2-1 when South's second kick hit the cross-bar at the top of the net. Though the Warriors made good their next two shots, three Steeler players — Dan Sedej, Rick Worthen and Harvey Breckner — prevented a GCHS South tie, or victory, by finding their marks.

Cries from Steeler fans of "We are number one" filled the air with the final kick on goal, a chant which for the past two years had belonged to the Warriors of GCHS South.

South High School was the state's first soccer champion in 1972 and placed third in last year's state tournament.

GRANITE CITY PRESS-RECORD
Thurs., Nov. 7, 1974 Page 6

The loss Tuesday snapped a 15-game winning streak for the Warriors and ended their season with a 17-2-2 record.

For the Steelers, of GCHS North, the battle is just beginning.

North is facing its first-ever state competition at 7 p.m. tomorrow against the victor of the Lake Forest sectional.

Coach Kehoe said of his team's victory, "Desire and determination in wanting to compete at the state level won the game for us."

"South is a very good soccer team," he added "and it just tickled us pink that we beat them at all."

The contest between the two Granite City high schools proved that both teams play exceptionally well.

The Warriors had 15 shots on goal to North's 13 and dominated corner kicks, 11-1. North had the least fouls, 20-25. The Warriors played effective ball control throughout the contest and scored, momentarily, a point in actual competition.

South's Bennington, seeking his 33rd goal of the season, power-kicked the ball past Steeler goalie Rick Damaree early in the second quarter for what seemed to be a 1-0 margin for his team. But an offside penalty against the Warriors nullified the point.

The Steeler defense proved formidable as it ward off three Warrior attacks almost constantly.

"The big play," recalls Kehoe, "came in the third overtime period on a fantastic save by senior Dave Dallas."

Warrior Joe Theis had dribbled the ball to the mouth of North's net and was ready to take advantage of North's goalkeeper slipping on the wet grass, leaving the goal almost wide open.

Just as Theis put his foot into the ball, Dallas rushed in from

the side of the field and fell on the kick to prevent the scoring effort.

Dallas was not the only hero of the game; a lot of credit was given to goalkeeper Damaree for his defensive efforts.

Meeting Warrior corner kicks head-on by leaping high into the air, he prevented numerous balls from possibly going into the net, even though he was credited with only eight official saves.

South's Marc Mason was credited with the exact same number.

Perhaps the most remarkable stop made by Damaree was in the fourth and final overtime period.

South's Teno Valencia kicked the ball from the corner of the field near North's goal and Damaree leaped up to deflect it back over the net. If he had failed to get a hand on it, the ball appeared certain to be about to find its mark.

"We can't say enough about our goalie," said Kehoe "He is

every coach's dream."

"His defensive plays (a) a lot of pressure off the back and also have sort of a psychological effect on the opposing team."

"They get to thinking, 'I can't try to score in the air against this guy because he'll just stop them on you.'"

The Warriors of GCHS South took the loss like sportsmen, reflecting a lot of character in the team.

"We'll be at DeKalb to not let them on," promised South Coach Gene Baker.

For the soccer Steelers of North, they are in another world, elated with the thought of going to the state tournament with a 20-3 record.

"Whoever we play," he speculates Kehoe, "it's going to be a long tough road to the state."

An undetermined number of empty soft drink bottles were stolen from a rear storage area at Schnucks Food Store in the Crossroads Plaza Shopping Center, it was reported during the weekend. A hole was cut in the fence gate to gain entry.

Grid Trojans to host Pacific in final game

"I am stressing to our players the importance of stopping Joe Young," said Pacific's Robert Thomas. "I think our defense will have to use three men at a time to maybe stop Madison's running game."

Thomas made the comment this week as his Pacific team (4-1) prepares for a first-ever confrontation at 2 p.m. Saturday, with Madison High School (2-7) at the Trojan Field here. The game will end the 1974 grid schedule for both squads.

Joe Young, Madison's 5-6, 155-pound senior halfback, is the Trojans' leading rusher with 12 carries for 72 yards and seven touchdowns. Four of his touchdowns came during the past weekend as Madison gained a 38-20 victory over previously undefeated Sparta.

As a defensive standout, Young heads his teammates in tackles with 76 and has recovered six enemy fumbles and intercepted one pass.

After viewing the Sparta-Madison game, Coach Thomas remarked, "I was really surprised at the balance Young has."

"We have gone up against some tough backs," he added, "but Young, in my opinion, is probably the best."

Madison's victory over Sparta was the Trojans' second win of the season. MHS had defeated Dupre earlier in the year to snap a long losing streak.

Adding to Madison's rushing power are senior Mike Stanley with 63 carries for 307 yards and junior Dwight Chiallers, who has carried the ball 56 times for 266 yards.

Junior Quarterback Mike Woods has rushed for 72 yards and has completed 15 of 46 passes to gain 233 yards.

Kevin Werner, out of action for the season with a shoulder injury, still heads the pass receiving department with 18 receptions and 305 yards.

Senior Darryl Franklin now has eight receptions for 106 yards. Franklin has passed for 63 yards. Against Sparta, he took a Woods screen pass and then hurried the ball 20 yards to Young on a touchdown play that covered 63 yards.

Attempting to stop Madison's ground attack Saturday will be

Pacific's five-man defensive line — Seniors Paul Brinson at 165 pounds, Mike Tieses at only 145, Kevin Hostetter at 180, Jim Rutherford at 180 and junior Jerry Grodies at 215.

Rutherford has grounded 123 enemy runners thus far. Grodies has 115, Hostetter and Brinson 66 apiece and Tieses, 70.

Pacific's aerial attack appears to be its weakest point. Dividing the quarterbacking duty sophomore Tom Fischer and senior Mike Walters together have completed 17 passes for a total of 174 yards gained through the air.

The Panthers, who never stopped trying to get back in the game, scored on an unassisted goal by George Rasmovich. In less than two minutes, the Cougars got back their three-goal advantage when Stremiau scored on another assist from Twellman.

A goal by Wisconsin's Jerry Zuba and one by Bobbie Steve Cacciatore, both in the second half, completed the scoring as Guelker inserted every member of his traveling squad in the game.

The Cougars easily won the battle of statistics: 50 shots on goal to 13 for Wisconsin; eight corner kicks to just two for the losers; and 29 Panther fouls to the Cougars' 20.

Playing their best soccer of the season in the game's first half, the Southern Illinois University at Edwardsville kickers overwhelmed the University of Wisconsin 5-2 during the weekend at Milwaukee. The victory ran SUE's season record to 10-2-0, while UWM dropped to 6-2-3.

Next is tomorrow's 7:30 p.m. SUE-St. Louis U. game at Busch Stadium.

It was quickly obvious that the Cougars of Coach Bob Guelker were out to make sure that the UWM Panthers were not going to upset their hopes for a post-season NCAA Division I (large schools) regional tournament bid.

The Cougar kickers and their coach viewed the Wisconsin encounter as an opportunity to sharpen their play for Friday night's clash with the nation's No. 1 collegiate team, the St. Louis University Billies.

Applying almost unbelievable pressure from the opening kickoff, the Cougars scored first after 3:54 minutes had elapsed as Chris Carezza took a pass from Tim Twellman. Carezza blasted the ball past UWM goalkeeper John Fetzler, who had allowed only three goals prior to Saturday's contest.

Keeping the heat on, SUE's offense clicked again in less

than five more minutes when the losers' defense committed a foul and the Cougars were given an indirect foul kick. John Stremiau put the ball in the nets off a pass from Bobby Kessen. Probably the most beautiful scoring play of the season, this one at 29:44, saw Carezza pass to Steve Cacciatore, who powered the ball past the goalie.

Injuries hamper North High, Peoria Lions roar to playoff win

Lions 54, opponents 21. It wasn't a "circus" in old Rome, but there was no doubt whatever that the hosts at the stadium considered it a festive occasion as their young gladiators triumphed.

Granite City High School North, playing its first "sweet sixteen" state playoff game in the first-ever Illinois high school state football tournament, found itself unable to match the big and fast team of Peoria Central High School.

As a result of the loss, the Steelers' 1974 season has come to an end with a record of eight victories and two defeats.

About 1,000 Granite City fans and 4,000 Peorians were on hand for the game, played in almost bitterly cold weather.

Lenny Wright was unable to see action due to an injury, and Bill Carr was hobbled to an extent by a past injury.

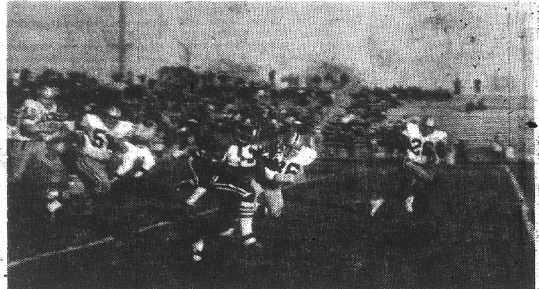

Linebacker Mark Davis played until suffering an injury in the Peoria contest.

Despite the top-heavy final score, the Steelers seemed to have a good chance to rally if sufficient new strategy could be devised at halftime.

Peoria returned the opening kickoff to its 20 and scored on a 4-yard run by Bryant Ragler, Chris Grieves kicking the extra point for a 7-0 lead.

North began a march but fumbled and the Lions took over on the Steeler 38. North held on, downs, Peoria missing connections on a pass on fourth down.

This set the stage for a Steeler advance to the North 40, but a

ENEMY TOUCHDOWN. Calvin Patterson (45) runs 30 yards for a score against North in the third quarter of Wednesday's playoff game, won 54-21 by Peoria Central. It was the first play after a pass interception and increased the Lions' lead at the time to 34-6. Steelers shown include Jim Woodward (85) and Larry Schleicher (26).

punt proved necessary and the Lions got on the scoreboard again quickly.

A 75-yard run into the end zone by Don Ruffin was called back due to a clipping penalty, but Quarterback Jesse Lopez later scored on a two-yard run. A kick made it 14-0.

North began a march after the Steeler 38. North held on, downs, Peoria missing connections on a pass on fourth down.

This set the stage for a Steeler advance to the North 40, but a

In the second quarter, North took a punt on its 29 but was forced to kick and Peoria scored on an eight-yard drive climaxed by an eight-yard Lopez to Grieves pass. With the extra-point kick blocked, the score stood 14-0-4.

Larry Schleicher returned the kickoff to the North 36 and there were Geno Logas passes to John Scott, Mike Donoff and David Kwiatkowski as the Steelers drove to the nine-yard-line. Logas then passed to Scott for a touchdown. A placement kick failed, leaving the score 20-4.

The Lions were still in their end of the field when halftime arrived.

Hopes remained high but fortunes took a sharp turn for the worse when the third-period kickoff was fumbled and Peoria recovered on the North two-yard-line. On a quarterback keep, Lopez drove into the end zone. Grieves passed to Barry Olson for a two-pointer and a 28-6 lead.

Sam Goe intercepted a North pass on the Steeler 45 and Calvin Patterson ran for a touchdown from the 30. Grieves' kick made it 35-6.

North punted and Peoria drove from its 40. Darvasch scored on a 23-yard run and Grieves kicking for a 42-6 score.

But the Steelers fought back gamely, Donoff returning the kickoff to 44 and immediately running for 19 yards and then two yards.

Logas passed to Schleicher for a 15-yard gain at the Lions' 18.

Donoff ran for nine yards and Logas for one yard and a "first and goal to go" at the enemy eight-yard-line.

After a two-yard loss, Logas passed to Scott for a TD and Greg Corey kicked the extra point, cutting the deficit to 42-13.

As the fourth period began, Peoria drove toward the goal and Ragler ran it across from four yards out. The kick was blocked and the count stood at 48-13.

North threatened, moving to

the Lions' 25 as Donoff and Logas ran and Logas passed to Scott and Sunderlik.

But Peoria took over on downs after stopping a run, and Pittsburgh broke loose for a 76-yard TD run. A kick for the extra point failed.

To complete the scoring, North drove from its own 32 after a runback by Kwiatkowski.

Donoff ran for a yard and Logas passed to Scott on the Peoria 39 and again on the 25. Logas ran for ten yards and then passed 15 yards to Scott for a touchdown. Scott ran for a two-pointer and a 54-21 score.

The Lions took the next kickoff and were at midfield, when time ran out.

The Steelers sparked in many departments.

Peoria's Lions outplayed North on the ground with 459 yards rushing to the Steelers' total of 57 yards, but Quarterback Logas gained 194 yards in the air with 18 completions in 30 attempts. Peoria's Lopez won two of five for 19 aerial yards.

Logas connected with End Spott, 6-1, 160-pound senior, on three aerials for the same number of touchdowns. Peoria scored once on an aerial from Lopez to Grieves.

The Steelers earned 12 first-downs on passes to the enemy's one.

North had a total of 18 first-downs in the game while holding Peoria to 15.

North's kickoff return specialists returned the ball six times for 141 yards while Peoria picked up six yards on one return.

Penalties hurt both teams. Peoria was penalized four times on infractions of rules for a total loss of 40 yards, including the touchdown nullified on a clipping penalty. GCHS North lost 30 yards on two infractions.

Steelers fumbles hampered the team's overall effort. North had five, losing two to the Lions and recovering three. Peoria fumbled once and lost it.

North's defensive unit was successful in blocking two Lion point-after-touchdown kick attempts and sacked the opposing quarterback once for a loss of 22 yards.

Soccer Dutchmen to play for state crown

The Belleville Area College Dutchmen soccer club, in its first year of competition, will be playing for the state championship.

On Monday, Nov. 11, the Dutchmen will take their 6-2 record to Chicago to play the Chicago area winner in the Region IV finals.

The finals will be held at the college of Dupage in Chicago.

The Region IV winner then will represent Illinois in an inter-regional. This competition will be between junior college champions from Indiana, Ohio, Minnesota, Wisconsin, Kentucky, Tennessee and Illinois.

The coach will advance to the national finals in Baltimore.

BAC coach Mike Moore will start Larry Petri of Granite City North in goal.

The fullbacks will be John Harding of Granite City North, Rick Daab of Alhoff, Toby Verdu of Belleville West and Bill Kiefer of Assumption.

Halfbacks will be Mark Weis of Belleville West, Dennis Jones of Granite City North and Mike Demaree of Granite City North.

The forward line will consist of brothers Rudy and Carmelo Equiball of Granite City and Bobby Galvan of Granite City.

South, Jim Sirlak of Cahokia also will see some action at the link position.

Bobby Galvin leads the team with 18 goals and two assists.

Dennis Jones has seven goals and five assists. Rudy Equiball has one goal and four assists, and Bill Kiefer has three goals.

John Harding has been the strong link of the Dutchmen defense, while Larry Petri has been outstanding in goal. Coach Moore believes.

Because it is the first year for varsity soccer, BAC went into many games as the underdog. The Dutchmen have pulled off many upsets this year.

Among the highlights of the season were tying Meramec, beating defending state champion Triton College 5-1 and knocking off the varsity teams of two four-year colleges.

One four-year school that fell to BAC was Harris of St. Louis. BAC finished in third place in the Forest Park tournament with that win.

Another big win was a 6-1 victory over Lincoln College in the state tournament. Now it is on to Chicago for the state finals for the local high school graduates and their "Dutch" teammates.

HIGH SCHOOL ICE HOCKEY will begin its 1974 season at the Wilson Park Ice Rink tomorrow with Granite City meeting Wood River at 10:30 p.m. The league is sanctioned by the Madison-St. Clair High School Ice Hockey Association. High school age boys compete in a 17-game schedule.

High school age ice hockey league to begin second year

The Madison-St. Clair High School Ice Hockey Association will open its second year of competition here at the Wilson Park Ice Rink tomorrow, kicking off its five-team, 17-game 1974 winter schedule.

Granite City, coached by William Hodge, will face Wood River at 10:30 p.m. Friday to start the action. At 11:30 p.m. Edwardsville and Collinsville will take to the ice.

Alton will not compete until Nov. 15.

Eldon Klein, president of the association, said the league is

set up "to give high school boys who are not participating in any other organized ice hockey program or sport an opportunity to be competitive in their chosen field."

Last year's Granite City team finished the season with a 5-12 record and was fourth overall in the league standings. Alton was the champion with a 17-0 record.

Assumption was 13-4, Wood River 8-6, Collinsville 3-13 and Belleville 5-13.

Assumption and Belleville have not entered teams for this year's schedule, and Edwardsville is a new member.

Comprising the Granite City team (with positions indicated) are: Bob Cox, wing; Derek Glenn, wing; Jeff Hillman, center; Greg Bauer, wing.

Art Haterley, defense; Tom Manogian, goalkeeper; Doug Perkey, wing; Johnny Prichard, center.

Mike Shelley, center; Rory Magyar, wing; Mike Whaley, defense; Rich Connolly, wing; Mark Hadley, wing; Willie Laub, defense; Paul Bollberger, defense; and Jim Williams, defense.

North soccer junior varsity lost only one of 17 contests

Granite City High School North's junior varsity soccer team, coached by Dave Ames, compiled a 13-3 record this season. Its only loss was to Collinsville.

Opposing schools were held

scoreless in 13 games of North's 17-game schedule by Steeler Goalies Mike Hill and Randy Spurlock; both are freshmen.

North scored 34 goals to its opponents' total of four.

North's three ties were 1-1 and 0-0 games with GCHS South and a 0-0 game with North County Technical School.

Scoring for the junior varsity Steelers were: Eric Painter, nine goals, Butch Stefanoff, eight, Marty Dooley six, Kevin Hayes three, John Moore, Tom Cardin and Jim Goodyear two apiece, and Walter Gavlick and Bill Weathers, one each.

Time for preparing compost
With leaves showering down from trees and the home garden on its last legs for the year, the time is at hand to build a compost heap to convert the vegetative refuse into soil enriching humus material for next year's garden, flower beds, and shrubbery, says Irvin Hillyer, Southern Illinois University, at Carbondale horticulturist.

This composting is especially appropriate, considering the spread of the disease about pollution and restriction on open burning in many communities.

Persons may use either of two systems for composting, according to Hillyer. One is for persons interested in organic gardening in which the supplemental nitrogen needed to activate bacteria that decay the vegetative refuse in the compost heap is supplied by organic materials, such as dried blood, cottonseed or soybean meal, bone meal, manure, and similar protein-rich materials.

In the other system, commercial fertilizer is used to provide the nitrogen and minerals necessary in composting. Whichever method is used, it is important to keep the nitrogen or protein content high enough for bacterial activity to "heat up" the compost heap and speed decay of the material.

Some form of lime and minerals also can be added if the emopost humus material will be used on acid soil.

Hillyer says a compost heap will work better if it contains other garden vegetable refuse along with leaves to give better conditioning to the compost. Leaves alone tend to mat together and slow down decay.

The leaves also will decay more rapidly if they are shredded (a power mower will do it) before putting on the compost heap. Mixing in other vegetative material, such as straw, grass clippings, garden plant refuse, and vegetable waste from the

Democrats control Assembly by nine and 19-vote margins

Republicans controlled each house of the legislature by one vote prior to Tuesday's general election, but Democrats smashed their way into substantial majority control of both the Illinois House and Senate for the next session.

The results raise the prospect of leadership posts for such experienced legislators as Sen. Sam Vadalabene and Rep. Horace Calvo of this district. Projections today show Democrats gaining a nine-vote margin in the 59-seat Senate, 35, and a 19-vote edge in the 117-member House, 98-79.

Democrats winning Senate races included Jerome Joyce over Sen. Edward McBroom, 19-17.

Kankakee, Bill Morris of Waukegan over Sen. John Conolly, Robert T. Lane of Chicago Heights over Sen. Jack Walker, Vincent Demuzio over

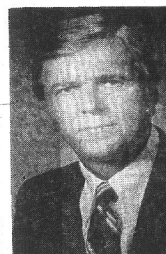

Sen. A. C. Bartulis and Robert Egan over Sen. Edward Scholl. Republican representatives losing Tuesday included House Speaker W. Robert Blair.

Chouteau sells highway warrant

The Chouteau Town Board Monday night cleared the books of the township's highway department by paying numerous bills. James Estes, highway commissioner, reported he has received the funds from a \$20,000 anticipation warrant the board voted to sell at its previous meeting. The department will have to operate on the remaining

money, or other anticipated funds, until next year's tax collections begin, unless a reimbursement check is received from the federal government.

Estes told the board the second reimbursement check from the federal government is long overdue, repaying the highway department for money expended during spring 1973 flooding.

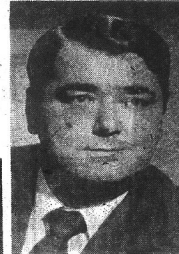

JOHN M. KARNS JR. He was elected Tuesday as a judge of the Fifth Judicial District appellate court in Mount Vernon. The Belleville Democrat, a lawyer until now, was unopposed.

South high monitor appointed

Charles McMillan, 2840 State St., was appointed by the City Board of Education Tuesday night to the position of campus monitor and

He assumed his official duties at the high school on Wednesday. A portion of the salary will be provided by the Office of Manpower Development.

Board members also appointed a list of substitute cafeteria workers who will be on call during the 1974-75 school year.

A request of leave of absence from Mrs. Mary Anne Rawlings, a Mitchell School teacher, was granted. The board hired Mrs. Emalee J. Farris, 5 Barbara Court, Granite City, to a special education position at South High School, effective Nov. 12.

Terry A. Waffer, 4022 Vesce Ave., as an instructor in instrumental music at South High School.

Expenditures in the educational fund totaled \$65,887. Building fund expenditures were \$35,655, and \$1,259 in the joint agreement fund.

L. Monroe Worthen, treasurer, submitted his report for the period ending Sept. 30, listing cash balances in the educational fund totaling \$1,361,126; IMRF, \$299,167; Transportation, \$209,167; Building Fund, \$177,179; bond and interest, \$18,959; new construction No. 2, \$39,292 and joint agreement, \$11,844. The Junior College fund shows a deficit of \$12,323.

The board awarded contracts to the lowest bidder on various projects including Branding Service Station for new school buses; for tools and equipment to Graybar Electric Co. for \$408; Houser Automotive \$737 and W. G. Grainger, Inc. \$179; canned goods for the school lunch program to Allen Foods, Inc. \$7,452; Edway Foods, Inc. \$5,098; General Grocer Co. \$525; M. J. Kellner Co. \$18,309; Litchfield Grocer Co. \$849; John Sexton Co. \$3,659; Tarius Meat Co. \$1,017 and Vita Foods, \$7,702.

Various phases of the heating and cooling work at the student built house at 2359 Clark Ave. were awarded to Comfort Air Conditioning and Heating Inc. Morris Heating Inc. and Spiff Heating and Cooling Co. Inc. for a total of \$1,433.

For industrial education equipment contracts were granted to Illinois Lumber Co., O'Neill Lumber Co. and Duffin Bros. Lumber for \$1,010; industrial Arts bid of \$1,150 was accepted from Beckemeier-Jensen.

Other contracts awarded during the meeting included Transparencies to Reverse Central for \$475; Duplicating Supplies to Kee Co. Mig. Co. and Bell and Howell for \$1,920; Magazine bid for \$4,265 to McGregor.

Approval was granted by the board for the use of school facilities by the "Y" Soccer Association for an annual presentation at South High School auditorium on Dec. 3, to Granite City Steel management

club for the Nameoki school auditorium on Dec. 14 for the annual children's Christmas party to Prohart School PTA for use of the school for its Fun Fair on Friday, and Prohart School Cub Pack 22 to use Nameoki School on April 17 for the annual Pinewood Derby.

Permission also was given to the Salvation Army to set up food collection centers at the schools where children may bring canned goods for Christmas baskets.

Dale Rea, assistant to the superintendent, and O. L. Overhuser, director of cafeterias, requested permission of the board to file non-food assistance applications for federal aid in purchasing cafeteria equipment for Prather, Logan, Marshall, McKinley and Nameoki schools.

Cost of the equipment is set tentatively at \$8,200 and with reimbursement should be about 50 percent of the cost. Board approval was granted.

The board accepted gifts from the American National Bank which offered free materials consisting of two Student Problem books and two Teacher Guides for use in the high schools Service Occupations classes, and from Lake School PTA which wants to donate a public address system and some instructional materials for use at Lake School, costing \$465.

Balances in the activity reports for South High School lists a total of \$43,617 and North High School, \$18,600, at the end of September.

Revise planning for courthouse elevator

The Madison County Board Nov. 20 will open bids for a new elevator for the Madison County Courthouse at Edwardsville, but the bid accepted probably will be for an elevator from the basement into the third floor, rather than to the fourth floor, as had been envisioned.

Oct. 23, the county board reserved \$30,000 from the county's contingency fund for the elevator purchase, but the bid accepted probably will be for an elevator from the basement into the third floor, rather than to the fourth floor, as had been envisioned.

The board also authorized the county buildings committee to prepare specifications for the elevator and advertise for bids.

Board members said they hoped the new elevator would be an automatic one and would go from the basement to the fourth floor, which houses the county's family courtroom.

The committee met last week with John Rapp of Alto, architect, and Howard Eichen of the General Elevator Co. and the experts predicted extending the elevator to the fourth floor would nearly double the installation cost and could not be done for \$90,000.

The present hydraulic elevator could be replaced with a new hydraulic elevator within the county's budgeted amount, but would reach only to the third floor, as does the existing freight elevator.

Extending the elevator to the fourth floor courtroom would require a tractor elevator, with cables and counterweights, which would necessitate equipment on the roof. Eichen said he did not even know if the building was constructed in such a way as to support such heavy equipment on the roof.

Adding to the cost would be the construction of a hallway on the fourth floor to the elevator. The buildings committee then studied alternatives to extending the elevator to the fourth floor while still improving access to the family courtroom.

At present, a narrow, steep flight of stairs is the only access to the courtroom. The committee formulated a plan to take the court into the third floor room presently occupied by the law library and moving the library to the fourth floor. There only judges and attorneys would have to climb the stairs.

The suggestion is being studied by Chief Judge Fred P. Schuman who is to give his recommendations to the committee.

Donald DuBoise pleads guilty in robbery case

Donald DuBoise, who formerly resided in Granite City, pleaded guilty yesterday to armed robbery in connection with the abduction and robbery of Mr. and Mrs. Carl (Dorothy) Tipwood, 5445 Maryville Road, March 9.

DuBoise allegedly escaped Oct. 29 from the security hospital at Menard State Prison, but was recaptured within a few days and was brought to Madison County Circuit Court at Edwardsville for trial.

He had been in the Menard hospital until he could be certified fit to stand trial.

DuBoise and another man allegedly held the Tipwood couple hostage about three hours in the Tipwoods' van and stole their television, \$200 cash, a camera and the vehicles.

DuBoise was being held without bond today in the Madison County Jail at Edwardsville awaiting sentencing, which is scheduled for Dec. 6 before Circuit Judge Victor Moselle.

At present, a narrow, steep flight of stairs is the only access to the courtroom. The committee formulated a plan to take the court into the third floor room presently occupied by the law library and moving the library to the fourth floor. There only judges and attorneys would have to climb the stairs.

Anti-alcoholism program for employees of state government

What do you do when an employee's job performance deteriorates because of a drinking problem? This question is frequently asked by union representatives and supervisors at all levels of industry, both private and governmental.

Until recently, union stewards and supervisors of state employees had to rely on their own resources and initiatives in dealing with an alcohol-abusing or alcoholic employee. Consequently, the actions taken ranged from doing nothing to disciplinary actions and/or dismissal.

With the initiation of the State Employee Assistance Program (EAP), supervisors now have a formal program to follow in helping an alcoholic employee. The EAP, developed cooperatively by the Department of Mental Health and Developmental Disabilities and the Department of Personnel, has been approved by Gov. Daniel Walker.

The EAP is available to all state employees, including those on the staffs of elected officials and state boards and commissions.

Based on the state government work force of 116,000 employees, DMH estimates that 5,800 of these workers (5 per cent) may be alcoholics and an additional 5,800 (5 per cent) alcoholic abusers.

With an estimated annual cost of at least \$2,000 per problem drinker, alcoholism is costing the state over \$12 million annually.

These estimates are based on national averages developed by the National Institute on Alcohol Abuse and Alcoholism.

According to Dorothy Lou Johnson, mental health coordinator of government employee alcoholism programs, the State Employee Assistance Program (EAP) will provide help to alcohol abusing and alcoholic employees and their families through a formalized program of early identification and referral to appropriate community treatment programs.

"We feel confident that the EAP will provide an estimated 11,000 alcohol-abusing state employees the opportunity to regain their health and ability to work productively," she said.

She describes the EAP as an occupational program tailored to the needs of state government.

Through the EAP, the state of Illinois will offer its alcohol-dependent workers the opportunity to be restored to healthy productivity.

Because a family member suffering from alcoholism has an effect on the employee's work, the program also will be made available to dependents of employees.

The official state policy regarding employee alcohol

abuse and alcoholism recognizes these employees as persons with a treatable disease.

Concern with alcoholism is strictly limited to its effect on the employee's job performance, not with social drinking.

Rather than jeopardize the employee's job security, the EAP enhances it through referral to treatment before the illness causes him to be unemployable, the coordinator said.

The Alcoholism Section of the Department of Mental Health and Developmental Disabilities will administer the EAP with the support and assistance of the Department of Personnel.

Major focus will be on pre-treatment, which includes the early identification of developing alcoholism as evidenced by decreasing job efficiency, subsequent referral to appropriate community-based treatment, and concerned follow-up.

Initially, the program will be established fully for the workers in three departments — 22,000 in Mental Health, 4,000 in the Secretary of State's Office and 500 in the Personnel Department.

It is estimated that 2,650 of these could benefit from the EAP.

Formal implementation will include special training for referral counselors, supervisors and employee representatives. Referral services for other departments are available from Regional Alcoholism Coordinators Offices located in each of seven Illinois mental health regions.

Formal expansion of the program to other departments will be gradual to permit the EAP to fit the specific needs of each department.

Departmental procedures to implement the EAP will be developed by state agency heads.

The procedures must conform to the intent and purpose of the EAP — early identification, referral to treatment, and follow-up of employees with alcohol problems.

Departmental program coordinators will coordinate the training, educational and referral aspects of the EAP and supervise the activities of the employee assistance counselors to be located within each facility and/or work locale.

Employee assistance counselors will provide the actual referral counseling to supervisors, employees and employees' families upon request.

They serve as the link between the employee and the community resources to ensure an adequate and coordinated treatment and follow-up program, it was related.

The major responsibility for the ultimate effectiveness of the program rests with employee's

supervisor.

It is the supervisor's task to monitor and document work performance for all employees working under him. Poor work performance is the basis of early identification.

There are many symptoms of deteriorating work behavior

that may be indicative of an alcohol problem — frequent absenteeism, increased accidents, increased sick leaves, erratic work performance and change in attitudes, to name a few.

She warns that while these and other behaviors are indicative of an alcohol problem, they also could result from a multitude of other kinds of problems. Therefore, the supervisor is cautioned against making a diagnosis of alcoholism.

Nolan B. Jones, state personnel director, stresses that the EAP is an added benefit to employees

and their families at no additional cost to the taxpayer.

"The personnel to implement the program are already in state government. All that is needed is the proper training of the referral counselors and supervisory staffs."

Workers who are knowledgeable about alcoholism and are interested in acting as referral counselors are being urged to volunteer their services through their personnel offices.

Dr. LeRoy P. Levitt, state director of the Department of Mental Health and Developmental Disabilities, said, "This

program demonstrates that the state is seriously interested and concerned with the problems of alcohol abuse and alcoholism as they relate to all Illinois citizens."

"The EAP will alleviate some of the misery and anguish suffered by state employees abusing alcohol and those family members and friends affected by them."

"And we will provide an example to both private industries and other governmental units to develop adequate and effective programs for the alcoholic employee."

Stroke club to meet on Tuesday

The Southwestern Illinois Stroke Club will meet Tuesday at 2 p.m. in the lounge of the Western Club, East Alton. There will be games, a social hour, and a discussion regarding future program planning. The stroke club is open to anyone who has had a stroke. Interested family members, and professional people. Further information about the stroke club may be obtained by calling the Easter Seal Society at 462-8897.

Whitsell easy victor

Louis Whitsell, incumbent County Board member of Nameoki District 26, was re-elected to the board post in Tuesday's balloting in the seven precincts of the district.

Whitsell polled 1,989 votes to defeat two independent can-

didates who opposed him—Mrs. Helen Hawkins who tallied 621 votes and Bradley "Mike" Briggs with 117 votes. Whitsell was on the Democratic ballot.

Whitsell retained his County Board seat in the only race for board membership in which there was no opposition in the Quad-City area, where a total of five board members, including Whitsell, were elected.

In the other four districts where board members were elected, one of them in

Chouteau Township and the other three in Granite City, candidates on the Democratic ticket had no opposition.

Whitsell polled his heaviest vote in Precinct Six where he received 243 votes to 31 for Mrs. Hawkins and 24 for Briggs. Precinct One, in which Whitsell lives, gave Whitsell 138 votes, Mrs. Hawkins 27 and Briggs 12.

Mrs. Hawkins received vote margins in two of the districts seven precincts—Precincts 5 and 8 in Precinct 5 she polled

Chouteau Township, was elected without opposition on the Democratic ballot, with the following vote: Chouteau Pct. 2, 201; 2, 151; 4, 174; 5, 138; 6, 149; 7, 104; and Nameoki Pct. 3, 164, for a total vote of 1,070.

William Webb, incumbent board member of Granite City District 19, was re-elected on the Democratic ballot without opposition. His vote: Granite City precincts 16, 184; 21, 146; 22, 172; 23, 254; 24, 113; 30, 114, and 31, 288, for a total of 1,102.

Nelson Hagauer of Madison County Board, also was without opposition in his bid for reelection on the Democratic ticket in District 20. He received

the following vote in Granite City precincts 18, 216; 19, 217; 20, 341; 27, 168; 28, 392; and 32, 391, for a total of 1,525 votes.

In Granite City District 21, Daniel J. Partney, an unopposed candidate on the Democratic ballot, polled the following vote in Precincts 11, 218; 13, 149; 14, 250; 17, 379, and 26, 164, for a total of 1,160 votes.

Partney will succeed Carl Buehler of Granite City, who was defeated in a bid for renomination in the March primary.

Seek injured assailant

Tom Mitcherson, 16, of 3110 E. 23rd St., told police he left a building near 29th and Iowa streets at 3 p.m. Tuesday and a man, about 30 years of age, outside verbally assaulted him.

Police checked the area and St. Elizabeth Hospital in an attempt to find an injured man, but were unsuccessful.

14,326 turnout here; Price front-runner

Unofficial but complete Quad-City election returns for the 1974 general election show 14,326 votes cast, including 7,380 in Granite City, 2,853 in Nameoki Township, 2,835 in Venice Township and 1,400 in Chouteau Township.

Cong. Melvin Price led the Quad-Cities with 11,715 votes. A partial ballot breakdown, showing Granite City, Nameoki, Venice Township, Chouteau and Quad-City vote totals in that order, follows:

Sen. Adlai Stevenson over George Burditt 5,566 to 1,388; 2,214 to 463; 2,585 to 1,059 to 271; and 11,424 to 2,282.

Cong. Price over Scott Randolph 5,738 to 853; 2,310 to 278; 2,567 to 116; 1,102 to 160; and 11,715 to 1,407.

Miss Evelyn Bowles for Madison County clerk, 5,612-

2,213-2,536-1,082-11,443.

Harold E. Briggs for Educational Service Region superintendent, 5,730-2,223-2,550-1,071-11,678.

John M. Karns Jr. for appellate judge—5,403-2,148-2,506-1,025-11,062.

Appellate judge voting between Charles E. Jones and Lehman D. Krause 4,833 to 1,479; 1,917 to 483; 2,425 to 121; 306 to 285; and 10,111 to 2,448.

Circuit Judge John Gitchoff 5,787-2,182-2,387-1,096-11,655.

Retention in office of Appellate Judge Edward Ebergsaecher, 2,669 yes to 508 no; 894 to 234; 1,313 to 166; 410 to 145; and 5,286 to 1,053.

And retention of Circuit Judge William L. Beatty, 3,563 to 507; 1,120 to 210; Venice Township—1,387 to 112; and Chouteau Township—496 to 126.

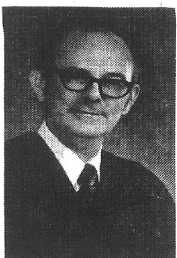

Circuit Judge Beatty is retained in office

Circuit Judge William L. Beatty of Granite City won retention in office for a six-year term in Tuesday's general election.

A lawyer here for 17 years until 1968, he was elected as a circuit judge that year as a Democrat. In subsequent terms, such judges run on a non-partisan basis without opposition, seeking 60 per cent favorable backing.

Judge Beatty received 15,474 "Yes" votes and 3,948 "No" votes in Madison County on Tuesday.

His Quad-City totals were 6,546 "Yes" and 955 "No." A breakdown follows: Granite City Township—3,563 to 507; Nameoki Township—1,120 to 210; Venice Township—1,387 to 112; and Chouteau Township—496 to 126.

Democrats lead for university board positions

Democrats earned a substantial lead in balloting for three positions on the University of Illinois board of trustees.

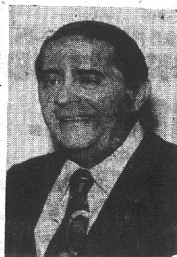

Counting 8,161 of the state's 11,315 precincts, Mrs. Nina Shepherd has 929,013, Arthur R. Valesquez 831,600 and Robert J. Lenz 844,866.

Republican nominees were Timothy W. Swain, 627,549, Russell W. Steger 597,665 and Gardner W. Heidrick 566,294.

Tax for nursing home is rejected

A proposal to tax Madison County property owners to finance bonds for a County Nursing Home addition was rejected Tuesday by voters, 28,907 against to 18,617 for the proposal.

The figures included a negative vote of 7,356 to 5,447 in

the Quad-Cities: Granite City, 3,855 against to 2,855 for the plan; Nameoki Township, 1,538 against to 1,056 for; Venice Township (Venice-Madison area), 1,097 "No" and 1,286 "Yes"; and Chouteau Township, 666 against to 461 favorable.

Change in veto trails in state

The "blue ballot" Illinois Constitutional amendment to limit amendatory veto power to technical corrections apparently failed to gain majority approval on Tuesday.

With 6,643 of the 11,315 precincts counted, or 58 percent, "Yes" votes totaled 728,282 and "No" ballots numbered 790,672.

Madison County figures showed 25,919 in favor of the

amendment and 20,839 against it.

In the Quad-Cities, the tally was 6,817 to 5,750.

Affirmative votes totaled 3,405 in Granite City, 1,429 in Nameoki Township, 1,248 in Venice Township and 748 in Chouteau township.

Negative votes numbered 2,725 in Granite City, 1,484 in Nameoki, 1,259 in Venice Township and 582 in Chouteau.

27-2 Demo edge on County Board

James Heil (R) of Godfrey was re-elected to the Madison County Board on Tuesday over Eugene Williams (D), but two other Republican members lost.

George Walter of Godfrey lost to Donald Parish, and Mrs. Sybil Bellus of East Alton was defeated by Verle L. Miller.

A Democratic incumbent, Mrs. Frances Roberts of Alton, defeated Republican John J. Dick. Another Democratic board member, Louis Whitell of Nameoki Township, beat two independent candidates.

Democrat Fred Dalton, succeeding the retiring Gilbert Killinger, defeated Mrs. Velvete Weller.

Most County Board candidates were unopposed, some after winning primary battles. Incumbent Robert Ford, beaten in the primary, ran as an independent and lost again to Anthony Boesch.

There will now be two Democrats on the 29-member board—Heil and a holdover member, Homer Henke.

Dies in two-car crash

Mrs. Marian R. Lorschbach, 19, of 183 LaSalle St., Belleville, was injured fatally in an auto accident at 6:30 p.m. Tuesday on Highway 161 west of the Dutch Hollow overpass, when her car collided with one driven by Thomas Carley, 47, of Belleville.

Mrs. Lorschbach was pronounced dead upon arrival at 6:55 p.m. at Belleville Memorial Hospital. Carley and his wife, Marilyn Carley, also were injured.

According to police, Mrs. Lorschbach was heading east on Highway 161 and was attempting to pass another vehicle when she collided with the Carley car which was westbound.

Mrs. Lorschbach was employed at Fox Moor Casuals in Fairview Heights and was a member of Meadow Heights Baptist Church.

She is survived by her husband, Bruce W. Lorschbach, who is employed at the CMC Stereo Center, 4130 Nameoki Road; her parents, Mr. and Mrs. Albert F. Hubbard of

Collinsville; a sister, Jean A. Hubbard, and brother, Scott W. Hubbard, both of Collinsville; maternal grandfather, Robert B. Sellers of Herrin, Ill.; and paternal grandparents Mr. and Mrs. Huey Hubbard of West Frankfort, Ill.

Funeral arrangements are given in the obituary column.

Massive wins by Dixon, Stevenson

The dynamic Democratic duo of Senator Adlai Stevenson of Chicago and State Treasurer Alan Dixon of Belleville led their party to a massive victory in Illinois in Tuesday's general election.

Nearly complete statewide returns show Stevenson defeating Republican George Burditt 1,767,812 to 1,083,069.

Dixon meanwhile was crushing Harry Page 1,730,272 to 923,801.

Democrats gained three Congressional seats in Illinois to change a 10-14 deficit to a 13-11

majority in the state's 14 districts.

Former Cong. Abner Mikva defeated incumbent Samuel Young, Martin Russo defeated Tim L. Hall topped Clifford Carlson in the district where Cong. Leslie Arendt is retiring.

Former Lieutenant Governor Paul Simon, defeated two-term governor in the Democratic primary two years ago, ran for the Congressional post being vacated by Kenneth Gray in Southern Illinois and defeated Val Oshel 80,773 to 53,975.

Cong. Price wins by more than 4-1

Surprising nobody, Congressman Melvin Price gained an overwhelming victory Tuesday.

Representing districts in-

cluding the Quad-Cities since 1944, Cong. Price now has won a 16th two-year term. He defeated Scott Randolph, an East-St. Louis grade school principal, 78,335 to 18,965.

His Madison County (23rd Congressional District portion) victory was by 27,072 to 6,017.

Price prevailed over Randolph 11,715 to 1,407 in the Quad-Cities, including: Granite City—5,736 to 895; Nameoki Township—2,310 to 278; Venice Township—2,567 to 116; and Chouteau Township—1,102 to 160.

Oriental Band names officers

Jack Stansberry of Wood River was elected president of the Ainad Temple Shrine Oriental Band at a regular election of officers Tuesday evening.

Elected to serve with him during 1975 were Russ Walker, vice president; Harold Stonecipher, secretary; Carl Roach, treasurer; Avery Schermer, band director; and Joseph Wallace, band manager.

Installation will be Dec. 7 at the annual Christmas dinner-dance.

Burglarize Hope church

Numerous items were stolen during a burglary at Hope Lutheran Church, 3715 Wabash Ave., which was reported at 8:50 a.m. Wednesday.

Taken were a small plaster statue of Jesus, three candleholders, a slide projector, a tape recorder, an amplifier and a tape recorder-photograph combination. Officials are to determine if anything else is missing.

Entry was gained by breaking the glass in a rear basement door. The burglar or burglars were described as "very neat," as nothing else was disturbed or damaged.

Missions meet opens today

The Rev. Del Tarr, missions communications coordinator of the Assemblies of God Graduate School, will be guest speaker Friday and Sunday, at 7 p.m. both days, at the First Assembly of God Church, 24th Street and Grand Avenue.

Rev. Tarr will be among speakers at a World Mission Conference which will open at the church tonight and continue through Sunday.

The Rev. Gary Royer, a newly approved Assemblies of God missionary to Brazil, will be guest speaker today 7:30 p.m. to open the conference. "Jesus on Campus" will be the topic of the Rev. Jim Hall, director of College Ministries for the Illinois Assemblies of God, who will be speaker at 7:30 p.m. Saturday.

Rev. Tarr, who served as a missionary to West Africa for 14 years, recently assumed his position, in the graduate school, which opened in 1973. As coordinator for missions communications, he will develop and instruct communication courses designed to help veteran and candidate missionaries adapt to the societies and cultures in which they will live.

Before Rev. Tarr accepted this appointment, he and his wife Dolly directed the Mossiland Bible School near Ouagadougou, Upper Volta, for three years. During his last term as missionary, he served as dean of the West Africa Advanced School of Theology in Lome, Togo. He also directed the French division of the

school's curriculum.

During their first term in ministry, Revs. Rie and his wife Jeanne will be working in ministerial service which will include literature distribution and evangelism. They will administer programs for nationals for Christian ministers and for instructors for Bible schools.

The Assemblies of God presently has 3,221 national ministers and 21 missions serving in 10,576 churches, serving 1,000,000 members. The number of church members adherents has now reached 17 million.

Rev. Hall pursues a full-time ministry among the state's 11 million college students. He offers personal counseling and teaching sessions on campus leadership seminars, and he conducts annual statewide retreats (retreat attendance is near 100,000).

Moose group hosts breakfast

Rev. Hall is the son of missionary parents, with whom he lived for 8½ years in Upper Volta, West Africa. He is a graduate of the University of Missouri with a B.A. in English Literature; and of Covenant Theological Seminary with a Master of Divinity degree.

Other degree members and guests attending were Virgil Singler, president; and Mr. and Mrs. Ed Chastain, Mr. and Mrs. Bud Worthen, Mr. and Mrs. Melford Morris, Mr. and Mrs. Archie Pulley, Mr. and Mrs. Robert Cox, Mr. and Mrs.

Robert Cox, Mr. and Mrs. Wesley Lipscomb, Harold Harris, Mrs. Otto Knipping, Miss Pat Lipscomb and Mrs. Mildred Votounal.

BREAK CHURCH WINDOWS
Five basement windows at the Bethel Chapel, West 25th and Ohio streets, were broken by vandals. It was reported at 3:40 p.m. Tuesday.

Flower arranging viewed by Elkettes

A demonstration of flower arranging was presented by Mrs. Mary Balke of Highland at a meeting Tuesday evening of the Elkettes held at the Granite City Elks Lodge.

The floral pieces later were awarded as prizes to Mesdames Gladys Sanderia, Ellean

Gladys Sandoria, Eileen Trittschuh, Charlene Miller, Julie Barnes and Mildred Fehling.
Mrs. Lorraine Williams

Hostesses were Mrs. Euple Tarris, Mrs. Margaret Rush and Mrs. Helen Bergfeld.

Gospel singing at two churches

Two spiritual gospel songfests will take place during the weekend at churches in the Quad-City area, it was announced today. The public is invited to attend both programs.

The Rev. Ernest Hale, pastor of the Pentecostal Church of God, 24th Street and Bromley Avenue, said "The Envoys" of Godfrey will appear at the church at 7:30 p.m. Saturday.

At 2 p.m. Sunday, the "Singing Chapmans" gospel group will present a program at the First Baptist Church of Venice, 1251 Klein St., the Rev. Austin Fisher, pastor, reported.

Clothing trends is Pi Eta topic

"Altogether Now" was the program topic given by Jana Galiardi at a meeting of Pi Eta Chapter, Beta Sigma Phi Sorority, held Monday evening at the home of Mrs. Charlotte Charbonnier, 2808 Warren Ave. The subject, relating to trends in clothing styles, was followed by each member participating in a comedy fashion show.

Reports were submitted by Mrs. Wanita Graham, secretary, and Mrs. Donna Yehling, treasurer. Mrs. Charbonnier reviewed events at the sorority City Council meeting and Mrs. Galiardi summarized plans for the April 27 area convention in Granite

During the social hour, canned foods were collected for the chapter's Thanksgiving basket to be donated to a needy family.

Mrs. Judy Onesky of Collinsville will host the next meeting when flower arranging will be the program.

Health worker to speak at Emerson

Robert Carney, representing the Madison County Mental Health Clinic, will be guest speaker Tuesday evening at 7:30 at a meeting of Emerson Point Trout Association.

Plans for the program were made at a PTA executive board session Tuesday night at the school. Mrs. Sheila MacLaughlin, president, was in charge.

Carney will speak on the topic - "Understand Your Child by Understanding Yourself." Children attending the meeting will view a film during the talk, Mrs. MacLaughlin said.

Also scheduled to present a brief talk is Mrs. Judy Padgett of the Downtown Neighborhood Restoration Society.

The PTA president said a \$10 gift will be awarded to the classroom with the highest percentage of PTA memberships on record at the close of Tuesday's meeting.

Fidelis Class plans dinner

The Fidelis Class of Second Baptist Church held its November meeting in the home of Mrs. Louise Mitchell, 2605 Nameoki Drive on Monday night.

Class teacher Mrs. Dolores Ayres gave the opening prayer and Mrs. Alice Hoffman presented the devotions. Mrs. Mitchell and Mrs. Hoffman

Members agreed to send a gift to a boy they sponsor at the Santa Barst Home.

Plans were finalized for a Christmas supper to be held at the church on Dec. 2.

Mrs. Naomi Rongey, a guest, closed the meeting with prayer and refreshments were served by the hostess.

Those attending included Mesdames Ruth Hassler, Cora Miller, Kay Pearson, Myrtle Grote, Ruby Clausen, Minnie Cavins, Ruth Chapman and other guests, Mrs. Florence Paul, Mrs. Gertrude Bundy and Mrs. Mina Duggins.

SERVICE COUPLE NAMES
FIRST CHILD MICHELLE

Mr. and Mrs. Robert Pieper of St. Louis, formerly of Granite City, received word Tuesday of the birth of a granddaughter, Michelle, at the U. S. Army Hospital in Honolulu, Hawaii. The infant is the first child of TM-2 and Mrs. Lee Schoneman. She was born Tuesday and weighed five pounds, 10 ounces. The father is stationed with the U. S. Navy in Honolulu.

Mrs. Schoneman will be remembered as the former Miss Carol Pieper of Granite City. The paternal grandparents are Mr. and Mrs. Willie Schoneman of Collinsville.

Film on breast cancer

Early detection and treatment is the aim of a 28-minute American Cancer Society film, "Breast Cancer—Where We Are," which will be shown free at Alton's Grand Theater Wednesday, Nov. 13, at 10 a.m.

One of every 25 women will develop breast cancer at some time, a spokesman said. It is the leading killer of women ages 40 to 64. But experts say recovery chances are excellent when the cancer is discovered early.

The film will explore the diagnostic tools used to find breast cancer, demonstrate how women can examine themselves for lumps in the breast, and analyze the effect breast surgery is likely to have on women's lives.

It is narrated by actress and model Jennifer O'Neill and features Terese Lasser, who founded a cancer therapeutic group called Reach to Recovery; Helen Gurley Brown of Cosmopolitan magazine; Columnist Ann Landers and John Mack Carter, editor of Ladies Home Journal.

The film recommends that women examine themselves monthly for possible breast lumps, with additional regular examinations by their doctor.

It also advocates examinations with mammography (an x-ray of the breast area) xeroradiography (a similar new technique reproducing the image on paper instead of on film).

Another early detection method is thermography (a measurement of the heat radiated by breast tissues).

The machines are often able to detect a tumor even before it can be felt by a woman, when the cure rate approaches 100 per cent.

The cancer society also discusses the role played by Reach to Recovery, in which volunteers, who have had breast cancer themselves, talk with women who have recently had the surgery to aid them in adjustment.

Breast cancer will kill 30,000 women this year. Had their tumors been discovered in the earliest stages before they could be felt manually, nearly all would have lived.

Following the film, Dr. Bernard Donnelly will be on hand to answer any questions. Nurses will be present to demonstrate breast self-

FORMER RESIDENTS NAM
DAUGHTER EMILY MARIE
Mr. and Mrs. Arno J. Arbogast, 2853 Lincoln Ave., have resolved word of the birth of their fourth great-grandchild. The new arrival has been named Emily Marie Mariani. She was born Oct. 27, in St. Oklahoma City hospital and is daughter of Mr. and Mrs. Daniel Harrison.

The mother is the former Peggy Dawn Farrell, daughter of Mr. and Mrs. Charles Farrell, who formerly resided here.

Lebanese speaker at Concordia

Moris Jahshan of Beirut, Lebanon, will be the speaker at the Mission Festival Service at Concordia Lutheran Church, 23rd Street and Grand Avenue, Sunday.

Jahshan is director of the Lebanese Lutheran Hour which originates in Beirut. With the support of the International Lutheran Laymen's League, the speaker is in the United States for study.

He received his B.S. degree from Concordia College, Seward, Neb., and is currently working towards his master's degree in communications at SIUE.

Jahshan's Arabic family has been Christian since the 6th Century. He will be presented informally to the Adult Bible Class at 9 a.m. Sunday.

His sermonic presentation, "The Gospel from Beirut," will be heard during the regular worship service at 10:15 a.m. The public is invited to attend. The Rev. Arvin Twietmeyer, pastor, said.

PICKUP TRUCK LOOTED
A \$200 citizens' band radio and a \$100 electronic booster unit were stolen from the pickup truck of Robert Jones, Rural Route One, Box 383, Granite City, while it was parked in the Granite City Steel Coke Plant parking lot, it was reported at 12:35 p.m. Tuesday. A wing vent window was broken to gain entry. The truck's dashboard was damaged.

Cut with knife

Glen Morgan, 27, of 2801 Dale Ave., was taken to St. Elizabeth Hospital after he said a man cut him with a knife at 3:30 p.m. Monday at Olive Street and Niedrinhaus Avenue. Morgan allegedly was involved in a fight which included a Madison man who said he was knocked down and kicked several times as he was getting into an auto. Morgan declined hospital treatment for a cut to his upper left arm near his left shoulder.

Mrs. Giuka dies at 80

Mrs. Kathryn "Katie" (Javon) Giuka, 80, of 818 Washington Ave., Ill. for three weeks, died Wednesday afternoon at the Colonial Haven Nursing Home.

A native of Yugoslavia, Mrs. Giuka, resided in Cleveland, Ohio, prior to moving to this area 43 years ago.

Her husband, George S. Giuka, died in 1951.

She is survived by three sons, Nick Egan of Laurel, Md., Albert Egan of Lemay, Mo., and George S. Giuka of Granite City; one daughter, Mrs. Charles (Violet) Weiland of Spokane, Wash.; nine grandchildren and six great-grandchildren.

Funeral arrangements are given in the obituary column.

Mrs. Dosh Frey 82, dies

Mrs. Dosh (Womack) Frey, 82, of 2919 E. 24th St., a lifelong resident of Granite City, died at 5:10 a.m. today at St. Elizabeth Hospital.

Mrs. Frey and her husband, the late William Arthur Frey who died in 1947, were owners and operators of a grocery store for 35 years at 24th Street and Delmar Avenue.

She was a member of St. Peter Evangelical United Church of Christ.

Survivors include one son, William Frey of Florissant, Mo.; a brother, Leo Womack of Farmington, Mo.; four sisters, Mrs. Roy (Ollie) Sheets of DeSoto, Mo.; Mrs. Roy (Audrey) Baker of Godfrey, Mrs. Arnold (Leola) Arbogast and Mrs. Merlin (Irene) Robinson, both of Granite City; one grandchild and one great-grandchild.

Funeral arrangements are given in the obituary column.

Dies after crash

Specialist Four Donald Corbett Jr., 20 of 4116 Kaseberg Lane, was injured fatally in a head-on auto crash near Grayville, Ill., at 10:30 p.m. Tuesday and died at 12:05 a.m. Wednesday in the Washburn General Hospital at Mount Carmel.

Specialist Corbett, a trumpet player in the 113th Army Band, was enroute to Fort Knox, Ky., when the accident occurred. He had been visiting with his parents and relatives in Granite City.

State police said Corbett's car collided head-on with one driven by Marsha Crayne, 26, of Grayville, on Route 130 one mile north of Route One, or about one mile north of Grayville.

Troopers reported Corbett's car, which was southbound,

apparently crossed the centerline to crash into the northbound Crayne auto. Both cars were totally demolished, and officers said.

An inquest will be held in Alton, Ill., by Edward County Coroner Allen Michael.

A lifelong resident of Granite City, the local serviceman entered the Army in June 1972. He is survived by his wife, Mrs. Pamela (Polson) Corbett; his parents, Mr. and Mrs. Donald (Dolores) Corbett Sr.; two brothers, Rick and Dan Corbett, both of Granite City; one sister, Miss Gloria Corbett of Salt Lake City, Utah, and grandparents, Mr. and Mrs. Floyd Corbett of Madison, Mo. and Mrs. Roy Tesson of St. Louis County.

Funeral arrangements are given in the obituary column.

'Lame duck' Assembly returns to Springfield

The Illinois General Assembly resumed sessions today in Springfield with a full agenda which includes several pay raise proposals and the consideration of 143 measures vetoed in full or in part by Gov. Dan Walker.

Both the Senate and House are controlled by Republicans with a one-vote GOP edge in each body.

Since voters in Tuesday's election gave control of both the Senate and House to Democrats, the "lame duck" session may provide a few surprises from Republicans who soon must turn over their seats to Democrats.

The Republicans have a 30 to 29 vote edge in the Senate and an 89 to 88 advantage in the House.

When the new legislators are seated, the Democrats will control the Senate by nine votes, 34 to 25, and the House by 19 votes, 98 to 79.

Gov. Walker, a Democrat, yesterday asked legislators to improve workmen's and unemployment compensation benefits, increase the minimum wage, approve election reforms and provide tax relief.

Pay raise bills, some of which have been trimmed by Gov. Walker, include an increase for state employees, trimmed from \$100 per month to \$50 per month. Walker also decreased money for college and university facilities from 5 per cent pay increases down to 5 per cent.

Another pay raise bill, locked in the Senate, would provide increases for state legislators, judges and several Walker cabinet members. The House already has approved the bill and it is expected to be called for a vote in the Senate this session.

Walker told newsmen the Democratic victory Tuesday will "pave the way" for a bold new legislative program, after

the lame duck session is completed.

He charged that "Republican obstructionists" have been standing in the way of passage of vitally needed programs.

North soccer team in state meet Friday night at DeKalb — and possibly Saturday

Granite City High School North soccer fans will have to find their own transportation if they wish to attend the 7 p.m. quarterfinal game against New Trier West tomorrow, but school officials are attempting to arrange buses to Saturday's semifinal and final games, which will be played at the school at 9:31-0600 after 2 p.m. today and during school hours tomorrow.

In tomorrow's quarterfinal pairings, Chicago Seem will play Niles West at noon, Wheaton Central will meet LaGrange of Lyons at 2 p.m. and the Quincy Quigley South game will be at 5 p.m., followed by the North-New Trier West contest at 7 p.m. Friday games will meet in

semifinal play at 11 a.m. Saturday, with the 5 and 7 p.m. Friday winners pitted together Saturday at 1:30 p.m.

The state soccer champion will be crowned after the 7:30 p.m. game Saturday.

GCHS South won the first Illinois soccer title two years ago and was third last year. North eliminated South in a sectional title game Tuesday.

Voters more independent

The 1974 elections revealed that voters are more independent than they once were, according to Carl D. Tubbsing, assistant professor of government at Southern Illinois University at Edwardsville.

"In both Ohio and New York," Tubbsing said, "we have cases in which senators and governors of different parties were elected; very striking instances of ticket-splitting showing the independence of American voters now."

Watergate and the state of the economy took a heavy toll on

the Republican party, Tubbsing believes.

"All you have to do is look at the Republican members of the (House) Judiciary Committee who lost including (Charles) Sandman (New Jersey) and (David) Dennis (Indiana) — to see that Watergate did have some effect."

"But as Sen. (Thomas) Eagleton (D-Mo.) pointed out," Tubbsing continued, "it seems much more certain that overall the economy played a major role in the campaign; to the extent that party affiliation was pervasive throughout the

country, it was the economy." Tubbsing does not believe that Tuesday's Democratic victories necessarily portend that party's dominance in the long run.

"American voters, it seems to me, are not tying themselves down to one party anymore. President Nixon thought in 1968 and 1972 that he could forge a 'new American majority' in the Republican Party."

"It doesn't seem now," Tubbsing continued, "that either party is advantaged in the long run by the results of an individual election."

The SIUE professor said the relatively low turnout at the polls Tuesday cannot be dismissed by a casual reference to "voter apathy."

"There are other, more practical explanations," he said, "including the fact that there are a lot more young people who are eligible to vote now, and younger people don't vote in as great numbers as do older people."

"Voter apathy can also be traced, perhaps, to Watergate, but I think it stems as well from a voter alienation that goes back to the Vietnam era," Tubbsing said.

Multi-million-dollar project here, Amsted officials say

An announcement in Chicago today by Amsted Industries, related to the American Steel Foundries-Granite City expansion announced on the front page of the Press-Record, notes that it is a multi-million-dollar expansion.

An addition is to be built to increase local production capacity for railroad freight car castings.

While detailed plans are being drawn, the project is subject to final approval by the company's board of directors, a spokesman said.

Goff Smith, Amsted president and chief executive officer, said the program would increase the company's capacity to produce side frames and bolsters for railroad freight car trucks by 20

per cent to approximately 47,000 sets per year.

"This added production is needed to meet strong railroad demand for components for new freight cars," Smith said.

He noted that about 113,000 freight cars were ordered in the United States during Amsted's fiscal year ended Sept. 30, 1974, up 33 per cent from 1973 and a 130 per cent increase from the 1972 level.

Target date for completion of the construction program, including a 22,000-square-foot building addition, is early 1976 with no interruption to current output.

All facilities would meet federal standards for clean air and water as well as health and safety.

Carl O. Sundberg, ASF president, said the expansion would help the company to meet growing demand for its T-11 suspension system for 100-ton capacity freight cars.

This system, introduced in 1973, improves freight car safety and riding qualities, increases component life, decreases damage to track, and reduces cargo losses, he said.

"It is increasingly being used on larger hopper and tank cars which carry coal and oil to meet our country's energy needs," Sundberg said.

Amsted's ASF division is the nation's leading producer of steel castings for railroad freight car trucks.

Portell wants salary boost

A letter mailed yesterday by Madison County Circuit Clerk Willard V. Portell suggests that County Board members consider raising his annual salary from \$10,000.

His self-sustaining office is expected to exceed expenses by about \$100,000 in the next budget. The County Board this fall raised the salaries of the county treasurer, sheriff and county clerk to \$22,000.

Portell said a pay raise is justified in view of "the responsibilities, volume and intensity of this office."

CANCEL MEETING

The Nov. 13 emergency medical services workshop, scheduled for the Holiday Inn at Collinsville, has been cancelled, officials of St. Elizabeth Hospital and the Illinois Department of Public Health, division of emergency medical services, co-sponsors of the program, announced today.

Who attended the Walker dinner party

By ROBERT ESTILL

SPRINGFIELD — Who kicked in \$1,000 each to the Illinois Democratic Fund to play golf with celebrities and enjoy a gourmet dinner with Gov. Daniel Walker at the Executive Mansion?

Don't look for any immediate voluntary disclosures from either the IDF or the governor, despite Walker's frequent speeches about letting the public know who pays the political bills.

David Cleveland, IDF director, said the IDF will be reporting on all contributors, including the dinner ticket buyers, at the end of the year in the annual IDF report.

But Cleveland said he was unable to release any guest list now because they are still trying to sort things out.

"I've got people who came

who haven't contributed, and I've got people who contributed, but didn't come," he said.

Cleveland said there might be some report out sooner if the State Board of Elections "ever tells us just what we're supposed to disclose" under the state's new campaign disclosure law that requires pre-election disclosure of contributions exceeding \$150.

The catch is that the Democratic members of the board have interpreted the law to exempt organizations such as the IDF that raise funds generally. That ruling is now being contested in the court by Atty. Gen. William Scott.

Cleveland was uncertain whether the IDF would make any voluntary pre-election disclosure if not required by law.

Gov. Walker, although he criticized the board's inter-

Asks lesser prison term, Cites Watergate as example

Vernon Brooks, 283 E. 25th St., who has been sentenced to serve 10 years in a federal penitentiary for selling stolen goods, has requested that his sentence be reduced to one more in line with the punishment given Watergate conspirators.

Brooks was one of 28 men indicted in connection with the thefts from Terminal Railroad Association boxcars in the Madison yards. He pleaded guilty in June to selling stolen goods.

Brooks' attorney, James Martin, cited lenient sentences given to Watergate figures and said Brooks' crimes were "in the category of white collar crimes, as were those in the political influence cases rising out of the Watergate scandal."

He requested Federal Judge Harrington Woods Jr. to consider the belief that there are two standards of justice, one for the rich and one for the poor.

Woods said he would rule on the request after other federal judges have passed sentences. "In other cases recently convicted of conspiracy and other charges in connection with the railroad thefts.

DETAILED PHONE DATA. Carolyn Garvin holds one of Southwestern Bell's new telephone bills. Beginning this month, the bills will provide more detailed information than in the past. She is a computer attendant for the company.

More details on future telephone billing here

Beginning with bills dated Nov. 1, the telephone bills of all Quad-City and St. Louis area customers will be more informative.

Tom Rich, local manager for Southwestern Bell, said Tuesday that a major change in the monthly statements will be the addition of details about long distance service.

"Our computers will now print the time each long distance call was placed and the number of minutes talked," Rich said.

He added that the new bills will also denote the classification of each long distance call — customer-dialed station-to-station, operator-assisted station-to-station, or person-to-person.

Whether a call was interstate or intrastate will be indicated, as well as the rate period which applies to each call.

In addition to more information on long distance service, Rich said, the revised statements will show any adjustments from the previous month, as well as any unpaid balance.

If there is no unpaid balance, this will also be indicated to let customers know their accounts have been properly cleared.

He pointed out, too, that federal taxes will be listed separately from state and local taxes.

Charges for municipal taxes will be indicated when applicable.

The new bills will also specify a "due by" date to let customers know when payment is expected to be received.

Rich said the monthly telephone statements have been revised to meet consumers' requests for additional details on their bills.

Name airport board chairman

William S. Badgley of Belleville has been appointed chairman of the St. Louis Metropolitan Area Airport Authority by Governor Dan Walker. Badgley has been serving as acting chairman since the resignation earlier this year of Howard W. Kaseberg of Granite City.

Badgley was appointed to a full five-year term on the board when it was first established in 1970. He is president of the First National Bank of Belleville and a member of the Board of the St. Louis Regional Commerce & Growth Association.

The Authority has applied for federal approval to develop a new major airport for the St. Louis area at Columbia. The Authority Board presently is composed of five Illinois members. Enabling legislation enacted by the Illinois General Assembly in 1970 looks toward a board with equal representation from Missouri and Illinois.

AUTO IS LOOTED
A tape player, two speakers, five tape recordings and a tachometer were stolen from the auto of Keith Peers, 2826 N. Main St., parked in a Granite City High School South parking lot, it was reported at 9:05 p.m. Tuesday.

Peace Corps worker assigned to Samoa

By DONNA HARTWICK
Press-Record Staff Writer
Miss Linda Malottki, 23-year-old daughter of Mr. and Mrs. Al Malottki, 33 Oaklawn Drive, left by plane last week to begin a 27-month program with the Peace Corps in Western Samoa. A Granite City High School graduate, Miss Malottki received a B.S. degree in education from Northern Illinois University at DeKalb with a major in specialized education for the handicapped. The young woman will continue in this field while at her overseas appointment.

After a year of planning, completing questionnaire forms and investigation, Miss Malottki was selected by the Chicago and Washington (D.C.) Peace Corps agencies for her present assignment.

During her years at the university she was involved in volunteer projects in the DeKalb area, working through the Volunteer Bureau of Divon State Hospital and Sheltered Village.

Miss Malottki will join 60 other representatives of the Peace Corps in San Francisco and the group will depart by plane for the South Pacific area for a three-month training period before assuming their duties for the duration of the program.

Samoa is a group of 12 islands in the South Pacific Ocean, about 4,200 miles southwest of San Francisco. Nearly all the islands are volcanic formations. Most are surrounded by coral reefs.

The islands have an area of 1,200 square miles and a population of about 101,000 Polynesian people. The two largest island groups in Western Samoa are Savaii and Upolu.

For many years Upolu was the home of Robert Louis Stevenson and his grave is on Mount Vaea, near the town of Apia. Apia is the chief town and seat of government for the island of Upolu.

The entire Peace Corps group will participate in the three-month indoctrination course in Apia then be sent to various villages in the locale. Since most people on the island speak Samoan, the

volunteers will receive instruction in the native language. Miss Malottki will be teaching primary grade students in various subjects, including English.

She attended a three-day seminar in Denver, Colo., earlier this summer to meet representatives of Samoa and the Peace Corps. At that time, films of the islands were shown to the volunteers and discussions on the locale were held to familiarize the group with the people and islands.

Among the group of volunteers were Harold Soderquist, 76, and his wife, Mrs. Bertha Soderquist, 76, from Southfield, Mich. They also will teach in Apia.

Soderquist retired from Wayne State University in 1965, where he taught philosophy of education for 38 years.

"We've rested long enough, about 10 years," Mr. Soderquist said when the couple decided to offer their services to the Peace Corps.

A family bon voyage party was hosted by Mr. and Mrs. Malottki in honor of their daughter, Linda, who also celebrated her 23rd birthday before leaving here.

Commenting on her reasons for accepting assignment with the Peace Corps, Miss Malottki said, "The challenge is there and if I don't do it now, I never will."

GRANITE CITY PRESS-RECORD Thurs., Nov. 7, 1974 Page 23

PIANO STUDENTS. David Tripp and Leah Rogers of Granite City, who presented a recital this week at Calvary Baptist Church. Their performances featured selections taped for a keyboard awards program. Both study piano with Mrs. Marge Ellsworth.

Leisa Johnson weds Dusty Lee Ragsdale

Miss Leisa Ann Johnson, daughter of Mr. and Mrs. Jerome Johnson, 2426 Lincoln Ave., became the bride of Dusty Lee Ragsdale, son of Mr. and Mrs. Kenneth Corzine, Rural Route Two, Granite City, on Oct. 18, at the home of the groom's parents.

The Rev. Bill Young officiated at the ceremony at 6:30 in the evening. Kenna Corzine, sister of the groom, provided the entertainment during the weekend at a meeting of the Venice Women's Club. The group met at the Venice Recreation Center.

For her wedding the bride chose a white satin gown designed with an Empire waist and a long flowing skirt, ending in a chapel train.

The neckline and long tapered sleeves were accented with tiny fabric covered buttons.

Her lace bordered veil was

long and held in place by a flower-covered bow. She carried a bouquet of white and blue tinted carnations and greenery.

The bride was given in marriage by her paternal grandfather, Amos W. Johnson.

Mrs. Pam Rice served as matron of honor. She chose a floor-length gown fashioned of floral dotted swiss, with a low rounded neckline, short puff sleeves and Empire waist. She carried a nosegay of white and blue carnations.

Jim Rice attended the groom as best man.

A reception followed the ceremony.

Newlyweds are residing at 3801 Lake Drive, lot 363.

Dance students entertain club

A program of dancing performed by students from the Salem School of Dance, under the direction of Marge Salem, provided the entertainment during the weekend at a meeting of the Venice Women's Club. The group met at the Venice Recreation Center.

During the business session reports were given by the club officers and it was announced the annual Christmas party will be held Dec. 8 at Charlie's Restaurant.

Games were directed by the hostesses, Mesdames Jessie Foley, Ruth Ohlendorf, Elsie Clavner, Ellen Deering and Edith Devine.

Thanksgiving motifs

decorated the tables for a dessert luncheon served during the social hour.

Guests attending were Mesdames Irene Ebersold, Jessie Lou Tackaberry, Joan Myrre and J. Ebersold; and John Mitchell and Terry Salem and son, Mike.

Members present included Mesdames Alice Mitchell, Hazel Painter, Naomi Boelling, Ora Anderson, Nora McCoid, Ivian McKinney, Rhea Buente, Bertha Pace, Margaret Seibert, Josephine Johnisee, Dorothy Koelker, Loretta Ziegler, Elyse Owens, Ruth Clavner, Clara Krause, Lisa Bauer, Marnie Ponce and Madonna Groshing.

Guild plans chili supper

Miss Leona Wintermeyer led the devotional service entitled "Living Is Giving" at a meeting on Monday evening of St. Peter's Evening Guild in the church fellowship hall.

A thank offering was taken during the program.

Mrs. Ruth Ann Bartels, president of the Guild, conducted the business meeting. She announced no tickets will be sold at the door for the chili supper and bake sale set for Nov. 16 at the church.

Named to represent the Guild at a new social organization meeting for handicapped residents were Mrs. Bartels and Annabelle Patton. The meeting will be held at Hope Lutheran Church.

Hostesses for the evening were Mrs. Elia Hoelscher, Mrs. Genevieve Grady and Mrs. Olive Kalert served refreshments to 19 members and a guest, Mrs. LeRoy Meyer of Deerfield, Ill.

The meeting closed with the Fellowship of the Least Coin service.

Parents chapter announces plans

Walter Bergfield, president of Parents Without Partners, Granite City Chapter 470, announced an area chapter dance on Friday evening at the Creve Coeur Country Club will start the club's November activities.

Other plans for the month, include a children's skating party Sunday at the Stardust Roller Rink, Pontoon Beach, a board meeting Wednesday with Fred Haldeman in Glen Carbon, and social events Nov. 16 at the Jaycee clubhouse and Nov. 22 at Pete and Mary's.

A family outing to the Planetarium in St. Louis is scheduled for Sunday, Nov. 24, and a potluck supper is planned at the Jaycee clubhouse, 1855 Poplar St., on Nov. 30.

The chapter's general meeting will be held at 8 p.m. Nov. 27 at the Jaycee facility, Bergfield reported.

Terrariums club topic

Junior Mathis presented a program on terrariums at a meeting of the Fair Oaks Junior Garden Club in the home of the president, Miss Peggy Smolich, 3706 Fair Oaks Drive, during the weekend.

After the guest speaker's talk, each member made a terrarium.

The president introduced a new member, Shannon Lamb, and reported on the bulb planting project at the courtyard of Colonial Haven Nursing Home.

Those present included Kim Blankenship, Jennifer Herman, Mary Lou Metcalf, Terri Kaye Ther, Jill Donley and a guest, Mrs. Mary Lee Herman.

In Memoriam

In loving memory of CLAUD D. CREWS, Nov. 7, 1973. One year has passed since that sad day.
When one we loved was called away,
God took him home—it was His will.
Within our hearts he liveth still.
We live for the day when we shall meet again,
In a home with our dear ones,
Husband, father and friend.
Sadly missed by—
WIFE, CHILDREN
And All Those Who Loved Him
33 11.7

In loving memory of WALTER O. YOUNG, passed away Nov. 7, 1973.
We have loved you, loved you dearly,
Within our hearts he liveth still.
We live for the day when we shall meet again,
In a home with our dear ones,
Husband, father and friend.
Sadly missed by—
WIFE, CHILDREN
And All Those Who Loved Him
33 11.7

In loving memory of WILTON E. EARL KEEEL, November 6, 1970.
He has solved it, life's wonderful problem,
The deepest, the strangest, the last, and into the school of the angels.
With the answer forever has passed.
How strange he should sleep so profoundly,
So young, so unworn by life.
While beside him brimful of hope's nectar
Unconscious stood the goblet of life.
God knew all about it, how how noble, how gentle he was and how brave,
How bright his possible future,
Yet put him to sleep in his grave.
God knew all about those who love him,
How bitter the trial must be—
And right through it all God is with us.
And knows so much better than we.
33 11.7

In loving memory of EDNA BIGGS, Nov. 9, 1966.
There is a link death cannot sever,
Love and remembrance last forever.

State ends patient work
Labor, Wage and Hour Division, defines a patient worker as "any resident of a department facility who has an employment relationship with the facility other than in a sheltered workshop program."
Employment relationship generally arises whenever a patient performs work of any consequential economic benefit to the institution.
According to Department of Labor rules, "A patient does not become an employee if he merely performs personal housekeeping chores such as maintaining his own quarters."
"Continuation and expansion of sheltered workshops for work activity centers will be encouraged," said Director Levitt.
"As an alternative to patient work programs for those patients who have been engaged in facility maintenance — for whom there are not presently opportunities for work in a sheltered workshop or work activity center — Adaptive Behavior Training (ABT) will be implemented."
"ABT encompasses a wide range of activities going from simple levels as toilet training to more complex activities like community living and the development of good work habits."

Orderly world change through democratic procedures is urged

Education Professor Francis T. Villemain of Southern Illinois University at Edwardsville believes there is an urgent need around the world for "a global distribution of high accomplishment."

He describes the goal as "the democratization of aesthetic excellence," or worldwide growth in an atmosphere of enriched personal and social life.

Villemain was the principal speaker during the weekend at the second session of the 1974-75 University Seminar at Edwardsville (USE).

Representing the SIUE School of Education, the "foundations of education" professor talked on the subject, "Significance of the Democratic Ethic for Cultural Alternatives and American Civilization."

He was assisted by Michael Kitchen, the presidential scholar representing the School of Education.

Villemain said, "The democratic aesthetic posture requires optimism, inquisitiveness, and experimental temper, flexibility, self-confidence, restlessness, courage and what Edmond Cahn called a 'briny irreverence' toward political officials rather than reverence or a self-imposed sense of impotency."

According to the education professor, "This means being aggressively concerned, hence informed, positively critical, and involved in the social processes of change—however tense, traumatic and uncomfortable."

The democratic philosophy of life is assaulted by "apathy, pessimism, despair, cynicism, all-consuming hate and self-doubt," Villemain asserted.

Citing problems of cultural interrelations, Villemain said, "We are now confronted with an unprecedented state of affairs."

"An incredible potential for worldwide growth and qualitative excellence for mankind curiously coexist with the unparalleled possibility of global disintegration."

Villemain describes democracy as "being like 'the black staff' printed on a page upon which a musician scores a symphony."

He sees in democracy the opportunity for constructing relationships between "diverse pervading qualities or cultures—for orchestrating their relationships."

Further economic planning and control are needed for social development, in Villemain's view.

"Federal Reserve Bank actions, anti-trust laws, unionization and minimum wage regulations are not

GRANITE CITY PRESS-RECORD
Thurs., Nov. 7, 1974 Page 34

enough," he said. "There must be a more equitable distribution of and access to material and economic resources."

"For example, short of comprehensive planning and the infusion of economic resources, our inner cities will remain as they are or further deteriorate," he said.

The speaker cited recent accomplishments in American civilization under the democratic framework:

"The courts, the political system and the constitution have been successfully used during the last two decades to secure revolutionary changes for vast numbers of deprived peoples—not enough, of course, but within a lifetime there have been improvements that elsewhere did not occur for centuries," Villemain continued. "This is not in any way to suggest that we can condone continuing inequities or rest upon our laurels."

"It is to note that since it can and is being done within the democratic framework, that we rely upon it more fully and apply it more rigorously."

The seminar leader contends that the democratic ethic provides the opportunity for a "subculture" to challenge, oppose, denounce and develop political power.

But if the sub-culture does not follow established procedures for seeking relief, the democratic "value system" has been violated, and "the prospects of realizing the personal and social well-being of free peoples is diminished."

Villemain sees "social ferment" as a phase of social progress rather than a sign of the failure of democracy.

"However uncomfortable and distressing, social struggle is welcomed if conducted by publicly approved methods," he said.

The democratic system will not permit the distribution of opportunities on the basis of cultural proportions, Villemain said.

"To penalize individuals, withholding access to human goods on grounds of their cultural identification, is a thorough-going violation of the 'dignity and worth' concept," he asserted.

Villemain calls for concern around the world.

"The very survival of the good life, democratically conceived, has now become dependent upon its development throughout the world."

"Conditions of starvation, disease and subjugation of other peoples are then a practical domestic problem of the American people," he said.

The USE sessions are being held in the Lovejoy Library auditorium on the SIUE campus. They are free of charge and open to the public.

The next session, scheduled for Nov. 15 at 8 p.m., will feature representatives of the School of Business—Garth S. Gardiner, assistant professor of business administration, and Presidential Scholar Martha Harbaugh.

Gardiner's topic will be "Complexity, Conformity and Goodbye to the Gray Flannel Suit."

The general USE topic for the year is "Ethnic Identity and Cultural Integrity."

Boy Scout Council to hold business meeting

The annual business meeting of the Cahokia Mound Scout Council will be held Monday, Nov. 25, beginning with dinner at 6:30 p.m. at St. John's United Church of Christ, 2801 Nameoki Road, it was announced today by E. Ray Grisham.

The local Scout Council includes the southern half of Madison County and all of Bond County.

Although the meeting is open to the public, only Institutional Representatives and Council members at large may vote.

At the meeting there will be a review of the operations of the local Boy Scout Council for 1974, election of officers, and executive board members; and a presentation of the Council's program for the coming year.

Reservations for the meeting must be made by Wednesday, Nov. 20, at the local Scout Service Center, 1338A N. Dearborn Ave., East of the city is \$3.50.

Coin club show

The Land of Lincoln Coin and Collectors' Club will hold its monthly show Sunday at the Namoki Recreation Center, Pontoon Road and Franklin Avenue.

Featured this month will be coins for Christmas. Also on exhibit will be pictures of the club's Billion Dollar Show which was held in 1971 at the Wilson Park Skating Rink.

'Reality games' to be explained

A series of five 30 minute programs featuring games from the book titled "Reality Games," by Saville Sax and Sandra Hollander Sax, will be presented in November and December on KETC-TV, Channel 9, St. Louis.

Sax is an assistant professor of behavioral sciences at the School of Dental Medicine of Southern Illinois University at Edwardsville. Mrs. Sax, currently engaged in research, is a former English instructor at SIUE. Their book was published by Macmillan Publishing Co. in 1972.

The television programs are scheduled from 9 p.m. to 9:30 p.m. Nov. 20 and 27 and Dec. 4, 11 and 18.

Appearing on the programs with the Saxes will be Amanda Luckett and Barbara Arms, psychologists at the St. Clair County Mental Health Center in East St. Louis, and Evelyn Blackmon, a social worker with the East St. Louis Department of Health. Yvonne Moran of Edwardsville, an art therapist, will participate in the first program.

According to Sax, the games to be featured include "the dance focus," "the focus game," "the reflection game," "the drawing out game" and "the magic theater game."

The Saxes refer to the games as communication skills. On the television programs, the skills will be demonstrated after explanations have been given. In their book, the Saxes ask the question, "Why not play games that help make us the

kinds of persons we really want to be, the kinds of persons we perceive ourselves to be at the center?"

According to the authors, the question is answered with the program they have designed: "Here are games that enable us to break down habitual ways of responding and to free mind and body to what is happening now — honestly, directly and deeply.

Hawaiian building cost expensive

Edwin L. Moore, a local contractor and member of the Evening Kiwanis club, told the group at its Monday meeting in Charlie's Restaurant that building costs in Hawaii are unbelievable.

Moore recently returned from visiting his daughter and her husband who is in the military and stationed there.

He told the club a home that would cost \$35,000 here, could cost as high as \$120,000 there. An average-sized lot in Honolulu on Oahu Island would cost \$100,000 just for the land, he said.

Moore also showed slides of his trip to the islands.

William Hayes, first vice-president who presided at the meeting, announced that the club would ring bells for the Salvation Army Christmas drive on Friday, Nov. 29. Kiwanians Marvin Barnes and Moore are co-chairmen of the Kiwanis bell ringers.

TAGGING EVIDENCE BAGS Tuesday at the Granite City Police Department was Detective William Harris. He is shown with about 10 pounds of what police believe is marijuana seized from a car, a trash can and a house in the 3200 block of Kilarney Drive during the weekend. At the bottom left is a scale being used to weigh the substance for packaging. Edward Braun, 19, of 3223 Maryville Road, and a 16-year-old Granite City boy have been charged in connection with the seizure.

Gives invocation at observance

Dr. Robert E. Sabo Sr., pastor of the Melvin (Ill.) United Methodist Church, gave the invocation at an all-day anniversary observance of Congressman Leslie C. Arends of Melvin.

The reception was given for

Arends who has served for 40 years in public office. The event also was attended by President Gerald Ford.

Dr. Sabo is a former Granite City resident and son of the late Mr. and Mrs. Paul A. Sabo who had resided in this area.

More compensation for crime victims

In August 1973, the Illinois General Assembly enacted the original Crime Victim's Compensation Act. The Illinois General Assembly now has amended that act to provide that any person related to the victim of a crime of violence — even though he was not dependent on that victim for his support — is eligible for reimbursement for funeral and medical expenses paid by that related person on account of the victim.

Another amendment to the Crime Victims Compensation Act sets the minimum reimbursable expense at \$200. Under the former provisions, only a person who was both related to the victim and dependent on him for support could be compensated on account of the injuries or death of a victim of a crime of violence. Further, the amount of pecuniary loss had to be at least \$500.

The amendments, which became effective Sept. 5, apply to any claim which was pending on that date.

Compensation paid under the act cannot exceed \$10,000 and may be less. Other payments received on account of the victim's death are taken into account.

According to figures from the Illinois attorney general's office, since the original act went into effect in August 1973 over 200 persons have filed for compensation — most of them from the Cook County metropolitan area.

According to the act, a victim is defined as a person killed or injured in Illinois as a result of a crime of violence — either perpetrated or attempted against him, suffered while attempting to assist another victim, or while helping a law enforcement officer apprehend a person who has committed such a crime of violence.

For a person to obtain compensation, the appropriate law enforcement officials should have been notified as soon after the crime's occurrence as possible.

Notice of intent to file a claim must be filed in the Office of the Attorney General within six months of the occurrence, and the applicant is expected to cooperate fully with officers in apprehension

SIUE student faces charges

Frank J. Jackson, 18, who told Pontoon Beach police he was a student at Southern Illinois University at Edwardsville and lives at 506 Tower Lake Apartments there, faces three charges.

Jackson was charged with theft, alleging that he took a tire and wheel from an auto parked at 410 Pontoon Road at 9:55 p.m. Saturday. He is also charged with resisting arrest and disorderly conduct.

A juvenile boy, 16, who was with Jackson was released after police determined he was not involved in the incident.

A resident told police she heard a noise outside her residence and saw a man running across Highway 111 and telephoned police. Checking outside, she learned the front tire and wheel were missing from a car parked in the driveway, belonging to a guest visiting her house at the time. Police said they saw two persons changing a tire on Highway 111 and when they stopped to question them Jackson allegedly refused to cooperate and allegedly started shoving the officers and using abusive language.

He was taken to Granite City jail pending court action.

Contrast in early, present state finances for schools

By MARY LOU MANNING
Press-Record
Springfield Bureau

The first financial assistance the state of Illinois gave its schools consisted of a two-mill tax against all property in 1835. Today, it's grown into a billion dollar program.

Between 1835 and 1927, the money collected via the two-mill tax levy was placed into a School Fund.

The state paid from three to six per cent interest on the money until it was proportionately distributed by county, according to a report on the history of school finance compiled by the Office of the Superintendent of Public Instruction.

The distribution was made according to the number of residents per county under 20 years of age on the first Monday in January.

Most of the funds were raised locally because the state appropriations were so sparse.

For example, for the 1910-11 school year, just over \$2 million in state funds was distributed to local-level school districts.

That left the poorer districts in a financial bind.

These financial disparities were realized in the 1920s when the General Assembly

enacted the first "equalization formula." This action ensured all school districts, regardless of their local wealth, enough money to "adequately educate each pupil."

Thus, the state would be giving each district an equal financial starting point or "foundation level," according to the report.

In 1927, that point was \$34 per pupil. In 1939, it was raised again to \$51 per elementary and \$80 per secondary student.

That year also saw a rise in assessed valuation, with an increase from \$1 per \$100 to \$1.50 for unit districts.

The elementary district qualifying rate remained at \$1 until 1945, at which time the full value assessment law was enacted and qualifying rates were lowered to 25 percent for elementary and secondary districts. Unit districts were set at 375 per cent.

The legislature continued to increase the foundation level and the qualifying rates until 1969.

At that time, the foundation level — or amount of guaranteed state and local funds per pupil — reached \$520 per weighted average daily attendance (WADA) and the

qualifying rates were .90 per cent for dual districts and 1.08 for unit districts.

WADA is derived from an average for the best six months of attendance based on counting every pupil who attends school for at least five hours a day.

Each student meeting this criteria is counted as a unit of 1.00. Kindergarten students were weighted at .50.

Qualifying tax rates are the minimum educational fund tax rate which a school district must maintain for educational purposes to fully qualify for general state aid.

In 1969, several major changes in the school aid formula were made.

Still more changes were adopted in 1974, underscoring the state's role as a massive supplier of revenue to nearly all Illinois public school systems.

AUTOMOBILE IS STOLEN
The 1963 blue four-door Chevrolet auto of Mark Lamb, 3109 Kirkpatrick Homes, was stolen from behind his home.

Lamb reported this week. Collinsville police later reported the auto was involved in a hit-and-run accident in that city, but could not be found.

Two youths are charged

Two Granite City youths were arrested and charged with violations after authorizing a stolen auto driven by Kim M. Riggs, 18, of 2028 Lombard Blvd., at 10:50 p.m. Friday at Wabash Avenue and Johnson Road.

Riggs was charged with driving while under the influence of narcotic drugs and resisting arrest. He allegedly became abusive toward policemen at the Granite City police headquarters.

A passenger in the auto, Ronald L. Daugherty, 19, of 939 Lewis St., Mitchell, was charged with possession of a hypodermic syringe, resisting arrest and intoxication.

Authorities said two syringes and a needle were discovered in a pocket of a jacket Daugherty was carrying. He allegedly refused to enter a police car at the scene and pulled away from the arresting officers.

1966 AUTO STOLEN
A 1966 auto belonging to Eleanor Moore, 2611 Benton St., was reported stolen during a weekend from in front of her home.

CALLING ALL HOME MAKERS
Brought to You By Mrs. Carol

CASUAL ELEGANCE?
At one time, home makers with small children or pets who wanted practical furnishings had to settle for furnishings that weren't Mrs. Carol always the last word in beauty; and by the same token, furniture that was beautiful was often fragile and not practical for a growing family because you always had to be careful and wary about it.

But, today there is in the home furnishings field a concept of "casual elegance" and strange as it seems those two words are not contradictory to each other. Elegant things CAN be casual today and casual things CAN be elegant.

Just one reason for this change are soil-resistant fabrics that have been developed over the years. Now if something spills on a beautiful piece, you don't have the worry you once had.

But that's not all. Manufacturers have been able to produce elegant furniture without the fragile construction of other years, and at the same time, they've been able to truthfully say the built-in ruggedness in a piece does not prevent it from being beautiful and graceful.

Thus, today you can enjoy the best of both worlds. I never before. You don't have to settle for fragile furniture if you want beauty, and you don't have to sacrifice beauty if you want sturdy, easy-to-care-for furniture.

An easy elegant-home can withstand the terrors of dozens children if you choose the right styles and fabrics. Franklin Union can help you turn your family home into a strikingly elegant show piece. We're at your service.

Office for economic education is created

The School of Business at Southern Illinois University at Edwardsville, has established an Office for Economic Education, bringing to six the number of centers in the state supported by the Illinois Council on Economic Education.

Stanford Levin, assistant professor of economics at SIUE, is the director. The office will serve the Illinois portion of the St. Louis metropolitan area and Southwestern Illinois.

With the cooperation of the Southwestern Illinois Industrial Association, the office will conduct a testing program to evaluate economic understanding among businessmen in the area.

A survey of teachers and administrators has been made to determine their interest in economic education programs. Two workshops in economics and consumer economics were held during the summer.

A materials center is being established at the office.

"We hope to have audiovisual equipment for previewing available slides, film strips and movies. Area teachers, students, local businessmen and other members of the community will be able to drop by and use our facilities," Levin said.

The office plans to offer more workshops and seminars of special interest for teachers and businessmen during the coming year.

In addition, there are plans to begin research in the evaluation of in-service teacher workshops, Levin said.

Interstate system in Illinois is within 473 miles of completion

By LESTER BELL
Press-Record
Washington Bureau
The 1,728-mile Interstate highway system in Illinois is 473

miles short of completion, says the U. S. Department of Transportation. The department's latest computer printout shows 1,285

miles open to traffic, with the balance under construction or in the engineering and right-of-way acquisition stage.

Only 15 to 16 miles are in "preliminary" status, the action among alternate routes. This is on I-494 at Chicago.

The only other segment with no miles open is I-255 near the Granite City area, planned for 19.35 miles.

Eight of the 16 Interstate routes in Illinois are all open to traffic: I-70, 160.25 miles; I-80, 163.52 miles; I-90, 105.79 miles; I-57, 74.86 miles; I-44, 95.70 miles; I-72, 14.97 miles; I-380, 8.21 miles; and I-294, 48.10 miles.

Work to be completed includes: I-55, 82.69 miles, mostly north and south of Bloomington; I-24, 17.59 miles; I-57, 3.78 miles; I-44, 95.70 miles; I-72, 62.22 miles; and I-74, 1.63 miles.

The Interstate system in Illinois is planned for 1,342.6 miles in rural areas, of which 1,018.1 miles are open to traffic, and 385.0 miles in urban areas, of which 238.6 miles are open.

Toll segments total 64.8 rural miles and 90.1 miles in urban areas.

Present law calls for completion of the Interstate system by the end of fiscal year 1979. Not all funds have been appropriated.

A DOT spokesman said there is uncertainty as to whether the system should be extended, and it is expected the incoming 94th Congress will consider this.

Judge Trone to resign Dec. 31

D. Kent Trone has submitted notice of his intention to resign as an associate judge of the Third Judicial Circuit Court, effective at midnight Nov. 30.

In a letter to Chief Circuit Judge Fred P. Schuman, Trone said he has found his experiences at a judge "both interesting and challenging."

Trone noted he was in law practice almost 11 years prior to being appointed an associate judge July 3, 1971. He was appointed chief associate judge Feb. 5, 1973.

He said he will be returning to law in partnership with Donald L. Metzger of Edwardsville under the law firm name of Metzger and Trone, Edwardsville.

MR. AND MRS. GARY WALLACE, whose wedding was solemnized at St. Mark Catholic Church in Venice. She is the former Miss Teresa Marie Reidelberger, a daughter of Mr. and Mrs. James J. Reidelberger, 810 Third St., Venice.

Teresa Reidelberger marries Gary Wallace

Urns of cushion pom poms, tipped in green, adorned the altar at St. Mark Catholic Church for the late afternoon wedding on Oct. 19 of Miss Teresa Marie Reidelberger, a daughter of Mr. and Mrs. James J. Reidelberger, 810 Third St., Venice, and Gary Ray Wallace, son of Mr. and Mrs. Gerald Wallace, 640 Washington Ave., Venice.

Preceding the arrival of the bridal party, guitarist Phyllis DeSalvo sang "Time in a Bottle," "Sunrise, Sunset," "Twilight of Never" and "We've Only Just Begun."

The Rev. John O'Connell officiated at the double ring ceremony at 4 o'clock. Given in marriage by her father, the former Miss Reidelberger selected a full length gown of white silk organza, designed in A-line style. The bodice was fitted with long tapered lace sleeves.

She wore a mantilla veil bordered with a wide band of scalloped lace, and she carried a cascade of cushion pom poms, stephanotis, carnations and mums interspersed with greenery.

Honor attendant Mrs. Linda Hayden and the bridesmaids, Mrs. Rosemary McIntosh and Miss Maggie Koscik, cousins of the bride, Mrs. Connie Davis and Mrs. Patty Pruett, were dressed alike in mint green jersey suits.

They wore mint green picture hats accented with dark green velvet ribbon and held plateau baskets of green tipped cushion pom poms.

Steve Sifton, the groom's cousin, served as ringbearer

MR. AND MRS. DALE BOGOVICH, who were married at St. John United Church of Christ. The bride is the former Miss Patricia Parizon, a daughter of Mr. and Mrs. Richard Parizon, 1716 Spruce St. (Greenman Photographs)

Patricia Parizon and Dale Bogovich are wed

Miss Patricia Parizon, a daughter of Mr. and Mrs. Richard Parizon, 1716 Spruce St., and Dale Bogovich, son of Mr. and Mrs. George Bogovich, 1 Riviera Drive, were united in marriage in an evening ceremony on Sept. 28 at St. John United Church of Christ.

The Rev. Dr. Paul Surbey performed the double ring service at 6:30 before an altar banked with floral arrangements and burning tapers in brass candelabra.

Escorted to the altar and given in marriage by her father, the bride chose a full length gown of Chantilly lace fashioned with long tapered sleeves set into a molded bodice with a Sabrina neckline.

Her bouffant skirt was created with tiers of cathedral lace, sweeping into a cathedral train. She wore a lace headpiece to secure a melody length veil and she carried a bouquet of pom poms in various shades.

Maid of honor Miss Susan Parizon, a sister of the bride, and Miss Charlene Bennett, bridesmaid, wore full length chiffon dresses embellished with red velvet flowers.

The other bridesmaids, Mrs. Pat Wiedowder and Miss Dee Kiser, appeared in identical gowns with blue velvet floral motifs. Their bouquets were arrangements of red and white pom poms.

Sherie Kay Wiedowder, the flower girl, was dressed in a frock to match the bridal gown. Rodney Prewett served as the ringbearer.

The groom chose Kenny Wiedowder as his best man. John Kovach, Keith Wagner and Dennis Brown were groomsmen and Mark Parizon and Mike Bogovich, brothers of the bride, acted as the bridesmaids.

Guests were received by the newly married Mr. and Mrs. Bogovich at a reception held at the Granite City Motel Lodge.

MR. AND MRS. DAVID B. WEST. Their marriage took place at the Dewey Avenue United Methodist Church. She is the former Miss Vicki Lynn Beckland, a daughter of Mr. and Mrs. Andy Beckland, 2449 Jerden Ave. (P. L. Weather Photo)

Vicki Beckland becomes Mrs. David Bryan West

Miss Vicki Lynn Beckland, a daughter of Mr. and Mrs. Andy Beckland, 2449 Jerden Ave., became the bride of David Bryan West, son of Mr. and Mrs. Kenneth West, 4200 Division St., on Nov. 1 at the Dewey Avenue United Methodist Church.

The Rev. Raymond Clodfelder officiated at the double ring ceremony at 7:30 p.m. before an altar decorated with greenery. A reception followed the service in the church fellowship hall.

Prior to the ceremony Mrs. Louise Potillo sang "We've Only Just Begun" and The Lord's Prayer, was accompanied at the organ by Mrs. Walta Harrison.

Mrs. Beckland escorted his daughter down the white carpeted aisle. She wore a long white gown fashioned with tapered sleeves, to the wrist and a high lace neckline. The semi-full skirt extended into a chapel train.

Her melody length veil was bordered with a wide band of

lace and held in place with a halo headpiece. She carried a bouquet of white pom poms and pink roses.

Miss Joan Beckland, a cousin of the bride, was maid of honor. She chose a formal length dress in pale blue, featuring a high ruffled neckline with a sheer yoke edged in lace. Her flowers were an arrangement of white and yellow pom poms.

The groom chose Dennis Mayes as his best man. Stacey Monroe was the flower girl and John Beckland, the bride's brother, was the ringbearer.

Seating the guests were Joe and Mark Meade.

Assisting at the reception were Delores Meade, Susan Mayes and Edith Clodfelder. For her daughter's wedding, Mrs. Beckland was attired in a dark green double knit dress complemented with gold accessories. She wore a white carnation corsage.

After a honeymoon trip to Tan-Tar-A Resort in the Ozarks, the newly married couple will reside in Granite City.

RETURN FROM TEXAS
Mr. and Mrs. James Presley of Barkley Street have returned home from Wichita Falls, Tex., where they visited their son and daughter-in-law, Airman First Class and Mrs. John Presley. John Presley is in training at Sheppard Air Force Base.

Miss Debby DiGiacomo of Yorkville, Ill., formerly of Mitchell, visited friends in Mitchell on Sunday. Her father, the Rev. Dr. John DiGiacomo, was formerly pastor of the Mitchell Presbyterian Church.

Concert Chorale tour is Friday

A 59-member Concert Chorale, directed by Leonard Van Camp, will present a 45-minute concert for vocal and instrumental music students at Granite City High School South beginning at 9:15 a.m. tomorrow.

The group from the Southern Illinois University at Edwardsville will make four appearances as part of a one-day concert tour.

At 11:10 a.m. tomorrow, the group will sing for choral students at Cahokia High School; and then twice beginning at 1 p.m. at Bellevue Township West High School. Many Granite City members help comprise the group. They are: Alicia Henderson, soprano; Robin Nunn, tenor; John Pierson, tenor; Gerrie Pinkerton, soprano; Mary Ann Sporeck, soprano; and Mary Turner, alto.

"GYM JAM," a gymnastics presentation performed by 100 students who demonstrated skills they learned at their schools during the weekend at the mall of the Bellemore Shopping Center. Clowns and bakers were from Maryville School. Other schools taking part in the project were Wilson, Marshall, Logan and Parkview.

Chamber president offers cooperation with aldermen

The Tri-Cities Area Chamber of Commerce wants to work with the Granite City Council in mapping public improvements and civic progress and will offer its office facilities and staff — and the efforts of its working committees — toward that end.

C. A. "Jack" Dempsey, new president of the Chamber, told aldermen during their regular meeting Monday night.

Addressing the council at the opening of its session, Dempsey said, "It seems to me we have had some groups on one side and some on the other."

"We (the Chamber and the Council) have had some problems in the past. I don't know why. I think we should get together."

He said that Chamber members "know that we have no voice in the official action. We can only suggest."

Dempsey said he had taken up the matter with Mayor Paul Schuler and had asked the mayor if there were any difficulties that could be straightened out.

"Later, the mayor told me that one thing that was bugging the aldermen was Chamber opposition to the number of new traffic stop signs."

"He pointed out to me that the aldermen work for the people in their wards and get requests which they try to meet."

"I told our committee that I promised Mayor Schuler that we wouldn't talk about stop signs before you get them. I think this is wrong. We should get together and discuss them together first."

Dempsey said that "at times we have announced some of our ideas before you get them. I think this is wrong. We should get together and discuss them together first."

Chamber members feel that "lots of time we can be of use," Dempsey said.

What we would like is for you to use our office and the people we have working for us. We have some active committees that can do a lot in working with the city for the good of the community," the president said.

GRANITE CITY PRESS-RECORD
Thurs., Nov. 7, 1974 Page 40

Chamber president added.

"The best way I know to acquaint you with our facilities and to meet our committees members is to invite you to come down to our offices next Monday night for sandwiches and coffee and to meet some of the Chamber members."

Dempsey noted that next Monday is an "off night" for council meetings and suggested 7:30 p.m. as the time for the get-together.

Alderman Walter Nunn told Dempsey that he believes "You

(the Chamber) have had 100 per cent cooperation from this council. I don't think we have done bad at all."

"Take the mail, for example. We spent a lot of time and money on that."

Nunn also referred to proposals for construction of an access road from the Namecki shopping area to the downtown Granite City, and said the council is in favor of that project "but we don't have the money right now."

Ronald Coleman, alderman of the Seventh Ward, said he believes "we can work things out."

Bicyclist fatalities growing in Illinois

By MARY LOU MANNING
Press-Record
Springfield Bureau

When it comes to a confrontation between a bicyclist and a truck, chances are the truck will come out on top. Most likely, literally on top.

The number of bicyclists who died in collisions with a motor vehicle last year numbered 54.

All of the deaths recorded in this situation involved the bicyclist, according to the Illinois Department of Transportation.

This represents an increase of 10 over last year's figures. The corresponding fatalities occurring in 1968, 1970, 1971 and 1972 were 27, 34, 50 and 44, respectively.

In addition to the fatalities recorded last year, 4288 injuries resulted from 5,176 accidents between a motor vehicle and a bicyclist.

During the three-year period from 1969-71, injuries resulting from bicycle-motor vehicle accidents rose with reports of 2,331, 2,865 and 3,385, respectively. Figures for 1972 were not available.

By age group, the 10 to 14 year-olds accounted for the largest number of fatalities with 21.

The remaining fatalities by age group were distributed like this: 0-4 years, 1 fatality; 5-9, 12; 10-14, 9; 20-24, 2; 25-34, 3; 35-44, 1; 45-54, 2; 55-64, 1; and 65-74, 2.

Male bicyclists fatally injured during 1973 numbered 45. Of this number, 16 were in the 10-14 year-old category. Five females in this category also died.

Nationwide, the latest report of bicycle fatalities available lists 1,100 deaths and 400,000 injuries for 1972. Of the injuries, 40,000 were disabling.

In 1971 the classification of bicycle was changed to "pedalcycle" to include the increasing number of three-wheelers being used with more and more handicapped or elderly persons. It also includes tri-cycles.

"A pedalcycle is anything you pedal," explains a DOT

spokesman. "It does not include a motorcycle."

In Illinois, motorcycles, motor scooter or motor bicycles were involved in 202 fatal accidents last year.

Indicted in Bond County

Danny Farley, 30, of 2218 Edwards St., has been indicted by a Bond County grand jury at Greenville, Ill. on a felony charge of theft for allegedly taking drugs from the office of Dr. James Goggins in Mulberry Grove last month.

Farley was arrested at his home Oct. 17 and allegedly had drugs with a street value of about \$6,000 in his possession. Charges against two girls arrested with him have been dismissed.

Area teacher center moves

The Bellevue Area Teachers' Center began Wednesday to meet in a new location, at 5800 West Main St., the former location of Charlie's Spaghetti House in Bellevue.

Meetings are held weekly on Wednesdays, from 4:10 to 5:30 p.m. The project is funded by a grant from the National Science Foundation through Southern Illinois University at Edwardsville.

All activities of the center are available to educators without charge.

REPORTS CAR STOLEN

Charles Walker, 1917 Edwardsville Road, reported this week that he locked his keys in his auto at 19th and State streets and when he returned minutes later, the car had been stolen. Police recovered the auto minutes later at 15th and State streets where it had been abandoned by a man who was seen running into a field.

First evaluation is being made at new high school

Principal Gilbert Walsley of Granite City High School North today announced the names of Steering Committee members who will direct the school's efforts during its self-study and North Central Association evaluation. The committee will be composed of 12 members and will be chaired by Norman S. Owca, who is also the head of the Business Education Department.

Other members of the committee also are department heads: Eugene Alassi, art; Donald Atkinson, vocational education; Mrs. Mildred Collins, home economics; Robert Cowan, social studies; Donald Deterding, boys' physical education; Ronald Dillard, drivers' education; Harold Gebhardt, science; Miss Barbara Kerch, girls' physical education; Harry Lane, mathematics; and Dr. Goni Michaeloff, English.

NCA membership requires that a school undergo a self-study and an evaluation once every seven years.

It is the responsibility of the steering committee to coordinate the school's self-study, establish the time schedule for

both the self-study and the outside team visit, synthesize all reports from staff sub-committees, and make the necessary preparations for the visit by the evaluation team.

This committee has been compiling the results of the study since it began last March and held staff meetings with the entire North faculty last Monday, Tuesday and Wednesday afternoons.

A final visit will be made by an outside team of educators from other districts and the Office of the Superintendent of Public Instruction of Illinois in April 1975 to verify the self-evaluation results.

According to Chairman Owca, the evaluation undertaken by the school will involve "a thorough review of the school's program and operations."

"The core inquiry will be on the extent to which the teaching and learning activities within the school carry out its major purposes."

It will be the first North Central evaluation for GCHS North, which opened in September 1973.

Banks, schools, offices to close Veterans' Day

Schools, banks, savings and loan firms, state and county offices and the Granite City Hall will be closed Monday, Nov. 11, for the State of Illinois observance of Veterans' Day.

Veterans' day was celebrated by federal employees on Oct. 28. Therefore, there will be final delivery and the post offices will be open during normal business hours Monday. City offices in Madison and Venice also will be open.

Stores in the area will be open.

The separation of observance dates resulted in 1972 when the Illinois General Assembly voted to restore Veterans' Day from the fourth Monday in October, the federal date, to the traditional November date.

Veterans' Day — or Armistice Day as it is also called — commemorates the anniversary of the end of World War I. At 11 a.m. on Nov. 11, 1918, bugles sounded the end of hostilities in Europe.

BURGALARY ON SPRUCE

The house, camper and garage of Charles Tinsley, 1619 Spruce St., were burglarized, it was reported this week. A watch and costume jewelry were taken from the house. A green Honda motorcycle was removed from the camper and a tool box and tools were stolen from the garage. The loss was estimated at \$475.

Also surviving are Mrs. Lewis' husband, Richard, and two younger daughters, Cindy, 5 years, and Wendy, 22 months. All three escaped the fire with only minor injuries.

A can filled with gasoline left inadvertently in a spare room inside the farm dwelling apparently exploded causing the fire, it has been theorized.

Sister, niece perish in fire

Double funeral services were held Oct. 30 in Cedar Springs, Mich., for Mrs. Barbara (Reyburn) Lewis, 30, and her 6-year-old daughter, Susan, who lost their lives Oct. 26 when a fire destroyed their farm home near Cedar Springs.

Among the survivors is Mrs. Lewis' sister, Mrs. Marian York of Granite City, who attended the funeral, accompanied by Miss Pat York and Randy Morgan, also of Granite City.

Also surviving are Mrs. Lewis' husband, Richard, and two younger daughters, Cindy, 5 years, and Wendy, 22 months. All three escaped the fire with only minor injuries.

A can filled with gasoline left inadvertently in a spare room inside the farm dwelling apparently exploded causing the fire, it has been theorized.

District meetings by county's Homemakers

The Madison County Homemakers Extension Association will sponsor four district meetings next week. The program for each of the sessions will feature reports by program assistants Lenora Brown, Norma Burns, Ola Vee Nix, Rosalie Gruenfelder, Wilma Hancock and Janie Kemp on their work in the Expanded Food and Nutrition Education Program.

Also on the program agenda will be a presentation by Don McGinnis of Edwardsville, who will discuss insurance, estate planning, legislation affecting retirement plans and related topics.

The first meeting is scheduled for 12:30 p.m. Nov. 12 at the Farm Bureau Auditorium, 900 Hillsboro Ave., Edwardsville, with Mrs. Marvin Funston, chairman of the Central District, presiding. Guests from the Edwardsville A. Edwardsville B. Marine, Monday Evening, Pin Oak, Tuesday Unit and Quercus Grove units are being invited.

The Southwest Homemakers District will be the host for a session at 7 p.m. Tuesday, Nov. 12, at the Granite City Park District Recreation Center. The district chairman, Mrs. Richard Prehn, will welcome

guests from the Trio, Granite City and Isabel Bevier units. The third district meeting of the week will be held at St. John's United Church of Christ at Midway. Northeast District Chairman Mrs. Harry Stess and will welcome the Alhambra, Dorsey, Ft. Russell, Hamel, New Douglas, Prairie and Holiday Shores units to the 10:30 a.m. meeting.

The Rox-Arena at Roxana Park in Roxana will be the site of a 10:30 a.m. meeting for the Northwest District, chaired by Mrs. Harold Wasman. The Godfrey, Rox-Ana Cloverleaf, Wood River, Alton and York units will be present.

Students to visit Russia

An opportunity for five local high school students to spend a Russian spring holiday in the Soviet Union during Easter vacation was announced today by Fred "Pat" Schuman, a Granite City High School South faculty member.

A maximum of 15 young people will make the nine-day trip, Schuman said. However, 10 local students already have reserved spaces, he explained.

The travel program, sponsored by Simmons Group Student Tours in cooperation with The American Council for Nationalities Service, is planned from March 21 to March 28.

Schuman, a history, sociology and psychology instructor at South High, said the remaining reservations will be filled on a first come, first serve basis. He may be contacted at South High, or at 876-4619.

A full explanation on overseas travel requirements, costs and other details will be made to parents of participating students at an orientation meeting to be scheduled shortly, the tour leader said.

Those making the trip will travel to New York, via Chicago, departing by transcontinental jet from there to Leningrad on March 21.

In Leningrad, known historically as Peter the Great's "window to Europe," the students will visit Nevsky Prospect, the Admiralty, St. Isaac's Cathedral and the Fortress of Peter and Paul. The first-day tour also includes a visit to the Palace of Weddings and evening hours at the ballet or opera.

The second full day in Leningrad will feature a tour of the Hermitage Museum, formerly the Winter Palace of the Czars, which houses one of the world's largest art collections.

After lunch, the youthful tourists will be free "to wander the city at leisure," Schuman said.

A train journey through the Russian countryside to Moscow on the "Red Arrow," a comfortable express, will occupy the group the following day.

For the next three days, the local students will visit most historic and contemporary points of interest in the Russian city, including the Kremlin, the Bell Tower of Ivan the Great, the Grand Palace and Armory,

St. Basil's Cathedral, Central Lenin Museum in the Marble Palace, the University grounds, Krupskaya Library and the white stone cathedrals.

The tourists will queue up on Red Square with the Russian citizens to enter Lenin's Mausoleum, and also visit the famous GUM department store.

A morning excursion is planned to the USSR Exhibition of Economic Achievement, the permanent Russian World's Fair, which presents an impressive picture of the country's economic achievements since 1917, Schuman said.

Other points to be seen include Gorki Square, the Bolshoi Theatre and Sovetskaya Square. Students will ride Moscow's subway system with its ornate stations, attend a cultural or sporting event and have free time to walk around the city, relax or shop.

Cost of the tour covers all roundtrip transportation, accommodations, two meals daily, sightseeing, guides, gratuities, all fees for special features and the services of experienced escorts and staff, Schuman advised.

BRIDE-TO-BE. Miss Elaine Marie Diak, whose engagement to James Urbanek is being announced by her parents, Mr. and Mrs. Joseph J. Diak of Washington Park, Ill. A Feb. 15 wedding is planned.

FIRST PLACE WINNER in the annual Moose Halloween parade as the "prettiest dressed" entry was Miklos Hurcoy, 2, son of Mr. and Mrs. George W. Hurcoy Jr., 2406 State St.

Urbanek-Diak betrothal told

The engagement of Miss Elaine Marie Diak and James Urbanek is being announced by the bride-elect's parents, Mr. and Mrs. Joseph J. Diak of Washington Park, Ill. The father is a former Granite City resident.

A graduate of St. Teresa Academy, Miss Diak received a bachelor of science degree from St. Francis College, Joliet, and her master's degree from the University of Illinois at Chicago. She currently is employed as a speech therapist in Palatine, Ill.

Her fiancé, the son of Mr. and Mrs. Edward P. Urbanek of Chicago, is a graduate of St. Lawrence High School. He earned his bachelor degree in chemistry from Lewis University at Lockport, Ill., and is working for the Beckman Instrument Co. of Chicago.

The engaged couple is completing plans for a Feb. 15 wedding at St. Martin of Tours Church in Washington Park.

John Phillips observe 60th year of marriage

Mr. and Mrs. John Phillip, 1610 Maple St., observed the 60th anniversary of their wedding at a dinner party given in their honor at Charles Restaurant.

The couple was married Oct. 24, 1914, at St. Joseph Catholic Church in Granite City.

Both Mr. and Mrs. Phillip were born in Hungary. She is the former Miss Beatrice Mayhew.

They are the parents of three sons, John A. Phillip of Granite City, Andrew Phillip of Palm Springs, Calif., and Robert

Phillip of Vero Beach, Fla. A fourth son, Bryan Phillip of Vero Beach, is deceased.

Mr. and Mrs. Phillip also have six grandchildren and three great-grandchildren.

Among the guests at the dinner party were son and daughter-in-law, Mr. and Mrs. John A. Phillip, granddaughter, Mrs. Alun Roberts; great-granddaughter, Sian Roberts; Mrs. Phillip's brother and sister-in-law, Mr. and Mrs. Oliver Mayhew; and a niece, Miss Elsie Mayhew.

Guild hears doll collectors

Mr. and Mrs. Oscar Ochs gave a slide presentation showing their extensive collection of dolls for members of the Evening Guild at a meeting Monday in the Fellowship Hall at St. John United Church of Christ.

Mrs. Ochs explained the origin of each doll and how it was acquired. Dolls from most countries, attired in native costume, are included in the couple's collection.

The business session was conducted by Mrs. Dorothea Kirksey, president. Members agreed to contribute canned goods and other items for a Thanksgiving basket for a needy family and also authorized \$25 cash to purchase meat for the gift package.

The guild voted to sponsor a Korean youth to attend the Hong Kong Council of the United Church of Christ of China.

Mrs. Kirksey said items are being sought for the Nearly New Clothing Center, sponsored by Church Women United, and asked for volunteers to aid students with reading or by

listening to problems at Washington School.

Members were reminded that the Afternoon and Evening guilds will present their annual bazaar in conjunction with the Brotherhood's chili supper, starting at 4 p.m. Dec. 7, in the St. John Fellowship Hall.

A new member, Mrs. Mary Herman, and two guests, the Rev. Paul Surbey and the Rev. Carl Eschenbrenner, were welcomed.

A harvest theme decorated the tables for the social hour. Refreshments were served to 19 members and the two visitors.

MRS. GRAY IS HOSTESS TO MONDAY CARD CLUB

Mrs. Mildred Gray, 1608 Garfield Ave., entertained the Monday Afternoon Card Club this week in her home.

After a luncheon, games were played and prizes were awarded to Mrs. Margaret Richardson, Mrs. Marie Perry and Mrs. Kathy Murphy.

Others present were Mrs. Cull Kennedy, Mrs. Myrtle Bruns, Mrs. Vi Edwards and Mrs. Leona Parente. Mrs. Kennedy will be the next hostess.

ILLINOIS...

WITH JOHN H. KEISER HISTORIAN SANGAMON STATE UNIVERSITY

IF THIS WERE 1872 I'D BE A LIBERAL REPUBLICAN

How did the Illinois Republican party respond to corruption in Washington in the post-Civil War years? In 1872, rumors of scandals in the administration of President U.S. Grant led many influential Illinois Republicans to break with the party of Lincoln and attempt to launch the Liberal Republican Party.

The new party, founded by Missourian Carl Schurz, called for Civil Service reform, and met in Cincinnati May 1, 1872, to nominate a president. Among the delegates from Illinois, home state of the presidential incumbent, and second-term Republican Lyman Trumbull, already an outcast in his own party for his refusal to vote "Gouldy" at the impeachment trial of Andrew Johnson.

It was hardly surprising that these men turned to a new party. The Illinois Republican party itself was a relatively new coalition of former Whigs, Democrats, Free-Soilers, Anti-Nebraskians, and similar "anti" coalitions around the biggest "anti" of them all, anti-slavery anti-secession. The party's founders were politicians with a strong strain of idealism whose response to political frustration had been

to break with rather than reform their old parties. The general moral decay accompanying the post-war period seemed one more call for a "pure" new party.

The Illinois Liberal Republicans had reason to believe their cause would prevail. The Chicago Tribune supported it, and at both the state and national levels the Democrats nominated the Liberal state. Unfortunately, the Illinois delegation's strength was the party's downfall. Palmer, Davis, Trumbull, and Gustav Koerner, a leader of the state's German intelligentsia, former Democratic officeholder now Republican, all campaigned for the presidential nomination. (Koerner, born in Germany, was not actually qualified to run.) Although Palmer had a large following among former Democrats, Davis and Trumbull split the Illinois delegation. When the combination proved unable to decide among the Illinois candidates, it turned fatally to New York editor Horace Greeley, a man with too many enemies to drive a new party to victory.

The Liberal Republican-Democratic parties were solidly defeated by Grant and former Illinois governor and GAR leader Richard Oglesby. The scandals in Washington continued, and one by one the Liberal Republicans set off in search of still another perfect party.

Dressing pheasant explained

By CATHERINE R. MAUCK
Madison County Extension
Adviser—Home Economics
Proper care of pheasant from the time of shooting until the bird reaches the table will ensure good eating.

Birds should be drawn as soon as possible after shooting. To remove the entrails, make a cut starting just below the breast bone up to the tail, and around the vent.

Pull out the entrails, being careful not to break them or the

gallbladder sac on the liver. Remove the gallbladder, wipe out the cavity with paper towels, and put the liver with the heart and gizzard in a small plastic bag. It will keep for a few days.

You can save time and mess by cutting off the fleshy ends of the gizzard and throwing away the center part.

If convenient, pheasants may be easily dry-plucked when warm, but defeathering is difficult with a cooled bird. However, pheasants may be

scaled and then defeathered. After scaling, finish dressing the bird—being sure to remove the lungs, all entrails, crop and oil sac.

Some hunters prefer to skin pheasants. This method allows you to skin the bird and clean out the internal organs in one operation.

Opinion varies regarding the need to age pheasants before cooking. Two to four days in the refrigerator is considered by some to be sufficient.

GRANITE CITY PRESS-RECORD
Thurs., Nov. 7, 1974 Page 43

A slow thaw in the refrigerator for frozen birds tenderizes the meat and develops the flavor.

To freeze, wrap birds in heavy-duty aluminum foil or place them in heavy plastic bags. Seal, label, freeze and hold at 0 degrees F. Use within nine months. Thaw the bird slowly in its wrapper in the refrigerator to tenderize it and reduce moisture loss.

Benefit ball to aid handicapped

Tickets still are available for the fifth annual "Benefit Ball" of the Granite City Society for Crippled Children, scheduled Saturday at the Croatian Home in Madison.

Cocktails will be served starting at 6 p.m. with a buffet dinner at 7 p.m. Dancing to the music of the "Four Seasons," will be from 8 p.m. until midnight.

Louis Pashoff, president, said tickets, costing \$5 each, may be obtained at Michael's Jewelry and Gift Shop, State Radio and

TV, Corky's Standard Service Station or from society members.

Junior Mathis and A. E. "Tony" Michel will serve as masters of ceremonies, assisted by Ron Loebsen and Walter Christensen.

Granite City Mayor and Mrs. Paul Schuler, Mr. and Mrs. Pashoff and Mr. and Mrs. William F. Kinder will lead off the dancing.

Many local business firms have contributed gifts to be awarded to ball patrons. Pashoff said.

COMBINED POLICE EFFORT by the Madison, Venice, Granite City and Madison County departments in a manhunt on Kerr Island Monday included the use of the jeep of Venice Patrolman Joseph Meehan, left, and Madison Sgt. William Papa, right, prepare to enter the jeep for the search.

SEALING OFF AREA in which an armed robbery suspect had hidden on Kerr Island Monday were more than one dozen police cars. Venice Patrolman Bruce Fletcher, to the right of the squad car, here sets up a

roadblock to keep the suspect from escaping. The massive groundhunting, which lasted several hours, was unsuccessful and the robbery suspect still is being sought.

Jones receives CPA certificate

A certificate of certified public accountant in Illinois has been awarded by the University of Illinois to Michael Frank Jones, 1903A Edison Ave., who also has received a certificate from Missouri.

The Illinois certificate was awarded on evidence he holds a valid CPA certificate obtained by passing a standard written examination and is qualified in all other respects under Illinois law.

Illinois CPA certificates are awarded either through examinations or reciprocity. The University of Illinois has awarded 16,900 CPA certificates since 1903, when it was given the responsibility for examining and certifying accountants.

SEARCHING FOR CLUES inside an auto police seized near Venice after an armed robbery was Madison County Sheriff's Department Detective John Kulasza. Three men were believed to have used the car in the robbery of the Cut Rate Food Market, Fifth Street and McCambridge Avenue, Monday afternoon. Two men were arrested near the car and a third man escaped, despite a lengthy police search in the Kerr Island area.

Occupational safety training here Friday

The Tri-Cities Area Chamber of Commerce is sponsoring an Occupational Safety and Health Act (OSHA) meeting for industry in this region tomorrow, starting at 8:30 a.m. at the YMCA, 2001 Edison Ave. Sam Urban, who has spent virtually a lifetime in industry and now works for the OSHA program, will conduct the presentation, illustrated by slides and pamphlets.

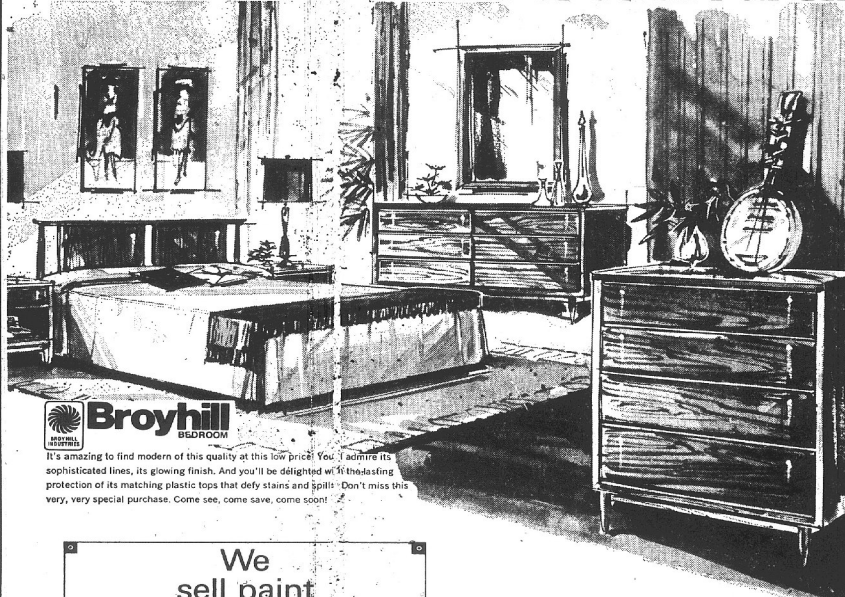

The Safety Council reports that he conducts a "fast-moving, interesting and informal meeting" and permits questions from the audience. Not only major plants, but medium and small industrial organizations and other businessmen are being urged to send representatives.

The meeting is an effort by the Chamber to acquaint business and industrial firms with OSHA laws and regulations so that they can avoid penalties when their facilities are inspected by field inspectors.

Reservations are being made through the Chamber of Commerce office at 876-6400. A "Dutch treat" luncheon will be catered at noon.
